

A Research Study on Sexual Violence Prevention at K-State

We want to gain insights into student needs and interests as it relates to sexual violence prevention programming, education, and outreach at K-State.

Participation in this study is **completely voluntary**, and you may decline or withdraw your participation at any point with no penalty or pressure to continue.

ELIGIBILITY REQUIREMENTS:

- 18 years of age or older
- Currently enrolled as a K-State undergrad

PARTICIPATION REQUIREMENTS:

- Take a survey to share your perspectives about sexual violence, sexual violence prevention, and interpersonal interactions
- Est. 30-45 minutes to complete
- Must be completed in one sitting
- This survey may be taken on a computer or phone - no in person requirement

PARTICIPANT BENEFITS & PROTECTION:

- Your answers may help to ensure that sexual violence prevention programming is relevant and meets the needs of students at K-State
- Your answers are **completely anonymous**
- You may enter to win a \$20 prize
