

**Fundraise, Volunteer and Connect
with the
Career Center**

Hello Student Organization Leaders,

The K-State Career Center is looking for clubs and organizations who are interested in paid opportunities to volunteer for the All-University Career Fair and/or become a Talent Ambassador representative for your student organization. Both are fantastic opportunities to participate in to make money for your club/organization. Your organization can:

- ✓ sign up to volunteer at the All-University Career Fair
- ✓ sign up for the Talent Ambassadors Program
- ✓ sign up for both

Both opportunities will be paid (\$100-\$500) and will require participation commitments from your membership.

VOLUNTEER FOR ALL-UNIVERSITY CAREER FAIR (AUCF)

Volunteer up to 50 hours for the All-University Career Fair on Tuesday, September 20, and Thursday, September 22 for a chance to earn \$500! For every 10 hours worked, the Career Center will pay \$100 to go toward your club/organization. Volunteer positions that are available include: General Set-Up, Employee Assistance, Employer Registration, Freight, Lot Attendant, Hospitality, and Student Registration.

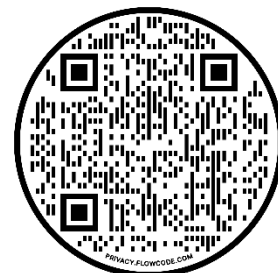

TALENT AMBASSADOR PROGRAM (TAP)

Help employers tap into K-State talent through your network of friends and other K-State students. Identify a Talent Ambassador representative who will post employer opportunities to social media and promote recruitment activities through their networks. This program will run from September 6 through December 16. An OrgCentral checklist will be provided to you by the Career Center. Once 10 promotions are completed, your organization will receive a \$100 donation. For each additional promotion, your organization will earn chances in an end-of-semester drawing for a \$500 donation!

TO PARTICIPATE

- ⇒ Complete the Fundraising Opportunities online form using this QR code by **Tuesday, September 6**
