

JOIN SGA

Student Governing Association is the official voice of students at K-State charged with serving the student body to advocate for campus improvements, allocate student dollars, and more! SGA is set up similarly to a state government, meaning we have an executive, legislative, and judicial branch with positions for students of all majors.

WHAT YOU WILL GAIN BY JOINING:

Leadership Experience

Interact with state and federal legislators

Help improve student life at K-State

Experience how a government is run

EMERGING LEADERS PROGRAM

The best way to get involved with SGA is through our emerging leaders program. Through this program, you learn about the inner workings of SGA as well as get paired with a mentor to help guide you through your experience in the organization. To learn more, scan the QR code below or email cpsaia@ksu.edu or elhaines@ksu.edu

First Emerging Leaders Meeting: September 5 at 5:30pm in the Wildcat Chambers

MORE FROM SGA

To stay up to date with the latest from Student Governing Association, there are many ways you can do that!
