70 granted protection from the DACA program;

11
12 **WHEREAS,** Deferred Action for Childhood Arrivals (DACA) is a program that started on June 15,
13 2012;

14
15 **WHEREAS,** Under the program, individuals could request protection if they met a list of seven
16 requirements. Of the seven requirements listed on the U.S. Citizenship and Immigration
17 Services (USCIS) website, the following four requirements particularly pertain to Kansas
18 State University students under the protection of DACA:

- 19
20 1) Were brought to the United States of America before reaching their 16th

22 2) Had no lawful status on June 15, 2012,
23 3) Are currently in school, and
24 4) Had not been convicted of a felony, significant misdemeanor, or three or more

- 31
32 1) Collect documents as evidence the person meets the guidelines,
33 2) Complete the required forms,
34 3) Mail the forms and the application fee (\$465),
35 4) Visit an Application Support Center (ASC) for biometric services, and
36 5) Check the status of the application request online;

37
38 **WHEREAS,** The DACA program allows participants to avoid deportation and provides the ability to
39 obtain work permits for a period of two years that can be renewed with good behavior;

40
41 **WHEREAS,** On September 5, 2017, the President of the United States of America directed his
42 Attorney General to announce the end of the DACA program;

43
44 **WHEREAS,** On September 5, 2017, the DACA program ceased to accept new applications; and on
45 October 5, 2017, the DACA program will no longer adjudicate renewal requests;

46
47 **WHEREAS,** The President tasked Congress to develop a legislative solution within the six months
48 before the DACA protections expire;

49
50 **WHEREAS,** Kansas State University joined with the Association of Public and Land-grant
51 Universities (APLU) in their statement calling for swift legislative action to “at a
52 minimum, codify the provisions of the Deferred Action for Childhood Arrivals (DACA)
53 policy into law”;

54

WHEREAS, The APLU statement added that “Prompt passage of legislation to, at a minimum, codify DACA protections into law would mitigate the incredible disruption that DACA termination would otherwise have on these young people’s lives and would allow them to continue their vital contributions to workplaces, college campuses, and communities around the country”;

WHEREAS, According to 2016 third-quarter statistics from the USCIS, Kansas has 6,637 residents who are approved DACA recipients;

WHEREAS, Approximately 40 DACA recipients currently study at Kansas State University;

WHEREAS, According to a Business Insider article entitled “How much money a DACA repeal could cost every state,” the state of Kansas could face a \$336 million annual GDP (gross domestic product) loss if DACA is eliminated;

WHEREAS, The rescinding of DACA makes undocumented students vulnerable to exploitation and increases the likelihood of their deportation;

WHEREAS, The term “Dreamers” is used to refer to the estimated 787,750 people who have been granted protection from the DACA program;

WHEREAS, In their September 5, 2017, “Statement from Student Body President and Vice President on DACA,” Jack Ayres and Olivia Baalman declared that a plan to rescind DACA “runs contrary to our values as Americans”;

WHEREAS, The Kansas State University Principles of Community states that “We affirm the inherent dignity and value of every person,” and “We affirm the value of human diversity and inclusion for community”; and

WHEREAS, The Kansas State University Student Governing Association represents the 22,000 students of Kansas State University.

BE IT RESOLVED THAT:

WHEREAS, The first goal of the K-State Innovation & Inspiration expanded \$1.4 billion campaign is “the land-grant mission of keeping education accessible and affordable”;

- WHEREAS,** The Bureau of Labor Statistics' consumer price index (CPI) increased by 44% (from 168.8 in January 2000 to 242.8 in January 2017), reflecting decreasing income buying power as prices become higher, or inflated, over time;
- WHEREAS,** According to Census data, the average U.S. household income increased by 3% (from \$57,248 in 1998, to \$59,039 in 2016);
- WHEREAS,** The consumer price index increasing more rapidly than average U.S. household income indicates a decreasing ability-to-pay for higher education;
- WHEREAS,** The rising cost of tuition and the decreasing ability of students to pay is a contributory factor to Kansas State University's 8% enrollment decline in 3 years (from 24,766 students in Fall 2014 to 22,795 students in Fall 2017);
- WHEREAS,** In the committee's Executive Summary, the 2016-2017 Tuition and Fees Strategies Committee prioritized "needs-based scholarships to offset the burden imposed on the students most impacted by tuition hikes"; and

DIRECTOR'S REPORTS FOR THE WEEK

Directors – Please submit agenda items at the following link: <https://orgsync.com/83329/forms/239984>

Student Support Director Stephen Kucera:

- SGA Leadership introduced themselves during the K-State Foundation's monthly meeting and mentioned that we are working on increasing opportunities for students to be involved with sharing their experiences on projects they are passionate about with the Foundation and with donors.
- Resolution 17/18/32 is being debated in Final Action tonight. Please support the members of our K-State community who are most financially vulnerable to the effects of the rising cost of tuition and fees.
- As a part of the Campus Initiatives Workgroup, I working with a group of 7 students who are working to identify and enact positive changes that will help SGA better serve its constituents

State Relations Director James Krotz:

- Synopsis of the Grad Student Caucus Resolution: I am not able to attend tonight, but please read this in my absence. Myself, along with the grad student caucus, have authored a resolution calling on the Kansas congressional delegation to amend the Tax Cuts and Jobs Act from its current form, which taxes tuition waivers as income. To use myself as an example, my department pays me an annual stipend of \$19,200, and also pays for my tuition. I took 18 credit hours in the last fiscal year, which totals up to \$7,890 in tuition. Under the new tax bill, I would be taxed for \$27,000 dollars of income, even though \$19,200 is my actual income (before taxes). My taxes would increase a whopping 211%. This will decimate graduate students in Kansas and across the country. Chair Buickerood will be introducing the resolution on my behalf. I have also asked Chair Buickerood to move to special order the resolution so that it is passed before the tax bill is voted on. I ask that you support both the resolution and the special order. Please direct any questions about the resolution to Chair Buickerood, and any questions about the tax bill and its effects on higher education to Director Kennedy.

RESOLUTION 17/18/35

**RESOLUTION REGARDING SUBTITLE C
OF THE “TAX CUTS AND JOBS ACT”**

BY: Gibson Akers, Kylie Andres, Elli Archer, Glen Buickerood, Nicole Grandy, Marcus Kidd and James Krotz

WHEREAS, According to the House of Representatives Ways and Means Committee, “the Tax Cuts and Jobs Act will deliver tax relief to Americans across the country”;

WHEREAS, According to the House of Representatives Ways and Means Committee, “the Tax Cuts and Jobs Act streamlines higher education benefits to help families save for and better afford college tuition and other education expenses”;

WHEREAS, Subtitle C of the Tax Cuts and Jobs Act – “Simplification and Reform of Education Incentives” – seeks to implement the taxation of tuition waivers as income for undergraduate and graduate students;

WHEREAS, According to the Kansas State University Division of Financial Services, the average Kansas State University graduate research or teaching assistant earns an annual stipend of \$15,065;

WHEREAS, According to the Kansas State University Division of Financial Services, graduate tuition for Kansas residents based on full-time status of 18 credit hours per year is approximately \$7,893; and graduate tuition for non-Kansas residents based on full-time status of 18 credit hours per year is approximately \$17,277;

WHEREAS, Upon passage of the Tax Cuts and Jobs Act, a Kansas resident employed as a graduate research or teaching assistant at Kansas State University filing as an individual, receiving a tuition waiver for \$7,893, and receiving an annual stipend of \$15,065 would see their federal taxes increase from \$467 to \$1,417, which constitutes an increase of 203.4%;

WHEREAS, Upon passage of the Tax Cuts and Jobs Act, a non-Kansas resident employed as a graduate research or teaching assistant at Kansas State University filing as an individual, receiving an out-of-state tuition waiver for \$17,277, and receiving an annual stipend of \$15,065 would see their federal taxes increase from \$467 to \$2,825, which constitutes an increase of 504.9%;

WHEREAS, Kansas State University graduate research and teaching assistants do not receive tuition waivers directly, as they are paid directly to the institution;

WHEREAS, It is illogical to tax tuition waivers as income, as the money is not income, but a benefit associated with their position as a graduate research or teaching assistant;

WHEREAS, Imposing such a tax increase on graduate students is contrary to the stated goal of the Tax Cuts and Jobs Act, which is “to deliver tax relief to Americans across the country”; and

WHEREAS, Imposing such a tax increase would compromise the ability of Kansas State University graduate students to pay for their education, decreasing retention rates and causing further harm to the already struggling Kansas economy and Kansas State University.

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association (KSU SGA) recommends members of the Kansas congressional delegation to the United States House of

Representatives immediately propose an amendment to Subtitle C of the Tax Cuts and Jobs Act to strike taxation of tuition waivers as income for undergraduate and graduate students.

SECTION 2. The Kansas State University Student Governing Association (KSU SGA) recommends members of the Kansas congressional delegation to the United States Senate vote against any future tax bill which contains language similar to Subtitle C of the Tax Cuts and Jobs Act regarding the taxation of tuition waivers as income for undergraduate and graduate students.

SECTION 3. This resolution shall be sent to U.S. Senator Pat Roberts, U.S. Senator Jerry Moran, Congressman Kevin Yoder, Congresswoman Lynn Jenkins, Congressman Ron Estes, Congressman Roger Marshall, Kansas State University President Richard B. Myers, Director of Government Relations Sue Peterson, Dean of the Graduate School Carol Shanklin, Faculty Senate President Brian Lindshield and Graduate Student Council President Derek Lawson.

SECTION 4. This resolution shall take effect upon passage by the Student Senate and signature of the Student Body President.

DIRECTOR REPORTS

Student Support Director Stephen Kucera:

- SGA Leadership introduced themselves during the K-State Foundation's monthly meeting and mentioned that we are working on increasing opportunities for students to be involved with sharing their experiences on projects they are passionate about with the Foundation and with donors.
- Resolution 17/18/32 is being debated in Final Action tonight. Please support the members of our K-State community who are most financially vulnerable to the effects of the rising cost of tuition and fees.
- As a part of the Campus Initiatives Workgroup, I working with a group of 7 students who are working to identify and enact positive changes that will help SGA better serve its constituents
- Campus work group: one group will audit each position in SGA and how to make them better Automative way to get in touch with us after elections.
- Go beyond your responsibilities and figure out what is wrong with what is going on with our students and announce during second open period

State Relations Director James Krotz:

- Synopsis of the Grad Student Caucus Resolution: I am not able to attend tonight, but please read this in my absence. Myself, along with the grad student caucus, have authored a resolution calling on the Kansas congressional delegation to amend the Tax Cuts and Jobs Act from its current form, which taxes tuition waivers as income. To use myself as an example, my department pays me an annual stipend of \$19,200, and also pays for my tuition. I took 18 credit hours in the last fiscal year, which totals up to \$7,890 in tuition. Under the new tax bill, I would be taxed for \$27,000 dollars of income, even though \$19,200 is my actual income (before taxes). My taxes would increase a whopping 211%. This will decimate graduate students in Kansas and across the country. Chair Buickerood will be introducing the resolution on my behalf. I have also asked Chair Buickerood to move to special order the resolution so that it is passed before the tax bill is voted on. I ask that you support both the resolution and the special order. Please direct any questions about the resolution to Chair Buickerood, and any questions about the tax bill and its effects on higher education to Director Kennedy.

WHEREAS, Funding for the Student-Centered Tuition Enhancements Committee has dropped below \$750,000;

WHEREAS, The Office of Student Activities and Services has been renamed to the Center for Student Involvement; and

BE IT ENACTED THAT:

SECTION 1. Chapter 27 of the Kansas State University Student Governing Association Statutes is hereby amended to read as follows:

**Chapter 26:
Student-Centered Tuition Enhancements**

27-0101 The Student-Centered Tuition Enhancements (SCTE) Committee shall consist of the following members:

- A. The KSU SGA Treasurer, who shall serve as the Chair and who shall vote only in the case of a tie.
- B. Six Student Senators, representing different colleges and different standing committees, appointed by the Speaker of the Student Senate upon approval by Student Senate.
- C. Four at-large members, representing different campus constituencies, appointed by the Student Body President upon approval by Student Senate.
- D. The Student Body President's Chief of Staff.
- E. One Faculty Senate Representative to Student Senate, who shall be a non-voting member.
- F. The Coordinator of the ~~Office of Student Activities and Services~~ *Center for Student Involvement* or his or her designee, who shall be a non-voting member.

27-0102 Duties of the Student-Centered Tuition Enhancements Committee

- A. Throughout the fall semester, the SCTE Committee shall solicit proposals for allocation of the SCTE monies. Included in the cover letter with the application shall be the due date, the purpose of SCTE, and criteria for consideration in the allocation of the SCTE monies. Any informal guidelines used by the SCTE committee shall be approved by Student Senate prior to the beginning of the allocation process. Senate may only pass additional or change existing guidelines by a 2/3 vote of selected and qualified senators.
- B. The Committee shall make its recommendation by resolution to Student Senate no later than the second meeting in March of each year. Upon Student Senate approval, the recommendation will be sent to the University Administration.
- C. In its report to Student Senate and University Administration, the Committee will include an evaluation of the effectiveness of the previous year's allocations.

27-0103 Student-Centered Tuition Enhancements Funding Process

- 55 A. SCTE proposals may be submitted to the committee for one of two areas:
- 56 1. Programs classified as priority funding; or
- 57 2. Seed money for the creation and implementation for new
- 58 programs/initiatives.
- 59 B. SCTE proposals may request funding up to four years. Every project receiving
- 60 funding must submit each year funding was requested. No SCTE project may
- 61 receive funding for more than four years.
- 62 1. For proposals that have been previously funded with SCTE money that
- 63 are also being allocated FY 2009 funds: FY 2009 is being considered the
- 64 second year of funding.
- 65 2. For proposals that are receiving first-time SCTE funding for FY 2009:
- 66 FY 2009 is considered the first year of funding.
- 67 C. Upon receiving four years of SCTE funding, a group may be classified as priority
- 68 funding by the SCTE Committee. Priority funding does not guarantee funding in
- 69 any particular year and is not indefinite. ~~A group classified as priority funding~~
- 70 ~~may apply for SCTE funding as long as SCTE funding remains at a minimum of~~
- 71 ~~\$750,000.00, and the group complies with the SCTE guidelines for funding as~~

- 73 ~~Groups classified as priority funding shall be listed in Section 27-0105.~~
- 74 1. After groups have received priority-funding status, the Committee has two
- 75 options.
- 76 a. The Committee shall work with the Vice President for
- 77 Administration and Finance on a plan to roll the funding of the group
- 78 off onto University Administration.
- 79 b. The Committee shall average the monies the group received over the
- 80 past four years. Of this average, the committee will choose a rate of
- 81 10-20 percent to decrease the initial average in each subsequent year.
- 82 The maximum possible allocation will be the previous year's amount
- 83 minus the percent of the original average. Based on the rate chosen,
- 84 the group shall no longer be eligible for funding from SCTE when its
- 85 funding reaches zero.
- 86 2. If an alternative funding source becomes available or a group does not meet
- 87 the committee's requirements, the Committee can modify the group's
- 88 funding.
- 89 3. *In the event of a current fiscal year SCTE budget reduction or callback, a*
- 90 *group classified as priority funding may be reduced in excess of 20 percent*
- 91 *of the average of the monies the group received over the past four years.*
- 92 D. All funding will be reviewed on an annual basis. All entities receiving SCTE
- 93 monies will submit a final report of all spent and unspent money to the ~~Office of~~
- 94 ~~Student Activities and Services~~ *Center for Student Involvement* Accountant that
- 95 fiscal year. A final report is due in the ~~Office of Student Activities and Services~~
- 96 *Center for Student Involvement* no later than the second Friday in September, by
- 97 4:00 p.m. A final report must be submitted in order to be eligible for another year
- 98 of funding.

- 100 information; project description and background; potential/current impact and
- 101 benefit to K-State students; dollar amount requested, including line item
- 102 expenditures and other sources of funding; and an estimated project timeline.
- 103 F. Proposals are due in the ~~Office of Student Activities and Services~~ *Center for*
- 104 *Student Involvement* by 4:00 p.m. on the first Friday in December of each year. A
- 105 total of 15 copies of the proposal should be submitted in order to be reviewed by
- 106 the committee.

- 81 10-20 percent to decrease the initial average in each subsequent year.
- 82 The maximum possible allocation will be the previous year's amount
- 83 minus the percent of the original average. Based on the rate chosen,
- 84 the group shall no longer be eligible for funding from SCTE when its
- 85 funding reaches zero.
- 86 2. If an alternative funding source becomes available or a group does not meet
- 87 the committee's requirements, the Committee can modify the group's
- 88 funding.
- 89 3. *In the event of a current fiscal year SCTE budget reduction or callback, a*
- 90 *group classified as priority funding may be reduced in excess of 20 percent*

 - Three amendments came up in those bills
 - If passed, would have a big effect on college students
 - The first one that passed lowers the age to conceal and carry from 21 to 18.
 - The second, which failed, would have allowed each Regents school to decide its own weapons policy. That's localized control.
 - The third one, which passed, would require anyone at any age, who wants to conceal and carry on a college campus to undergo training and get a permit.

DIRECTOR'S REPORTS FOR THE WEEK

Directors – Please submit agenda items at the following link: <https://orgsync.com/83329/forms/239984>

Student Support Director Stephen Kucera:

- The Graduate Student Council (GSC) - SGA Cabinet liaison position is now officially written into GSC's governing documents as a yearly position serving at the council's general meetings and on the Executive Committee.
- Working with K-State Foundation and Student Foundation to establish a relationship between our organizations that will hopefully be continued into the future. This relationship focuses on sharing information with campus about what the Foundation/Student Foundation do, highlighting student stories and issues through the donor interaction process, and effectively communicating how students can engage with the Foundation and donors.
- Looking to meet with College Caucuses about how to best advocate for needs-based scholarships with your dean and college.
- Sending a couple documents by email regarding our DACA students. One is how you can contact the Kansas senators and representatives in Washington, D.C. The other is a letter I received from Representative Ron Estes with his stance on DACA and immigration.

Health Director Caroline Fuss:

- This summer on June 1st, the K-State campus will be implementing a smoke free policy. The Smoke Free Campus Committee will be working with K-State faculty on implementing and advertising the coming

policy. This would be a low time commitment for committee members. Responsibilities for committee members would include attending meetings (schedule permitting), giving faculty members feedback on promotional items, and helping table for these promotional items. If you would like to be a member of this committee, or hear any more information, email Caroline Fuss at cfuss96@ksu.edu.

Special Project Director Kelli Holder:

- Tee Shirt Update: Thank you to all who ordered!!!! Unfortunately there was a small backorder on one of the tee shirts so the shirts won't arrive until next week. I will send out an email when they arrive so I can get them to everyone ASAP! Can't wait to see everyone rockin' their spunky SGA tees!!

DIRECTOR'S REPORTS FOR THE WEEK

Directors – Please submit agenda items at the following link: <https://orgsync.com/83329/forms/239984>

Student Support Director Stephen Kucera:

- Remember to continue messaging our U.S. senators and representatives to pass legislation supporting the DACA recipients at K-State.

Academic Affairs Director Miranda Moore:

- Career Fair Survey:
 - Thank you to everyone who helped promote the career fair survey over the past few weeks. We had 500+ responses which illustrated a wide range of issues students face when trying to attend the all-

university career fair. Stephen Kucera, Jordan Kiehl, and I are currently analyzing the results and may be reaching out to College Caucus leaders soon about next steps.

- Advising Onboarding & Professional Development Workgroup:
 - This group has identified the use of Canvas to deliver an advisor training. A subgroup identified six modules that would be suggested for every advisor to go through, as well as various optional modules on special topics. The group plans to present at the May 2 Advisors Forum meeting.
- Wildcat Link Workgroup:
 - Wildcat Link is a software program (PeopleGrove) that connects current students with alumni in the workforce. There are currently six orchestrated mentor programs (APDPro, Business Executive Mentoring Program, etc.), but all students can join and benefit from networking. In their meeting on Tuesday they discussed how to market this program more widely to service upon the news of the SCTE committee recommending their proposal be funded. I am working on having them come to present during Open Period, but if you are interested in making a profile or learning more, visit <https://wildcatlink.ksu.edu/>.
- If you have any questions about any of these topics, please come talk to me or reach me at mirandamoore24@ksu.edu.

DIRECTOR'S REPORTS FOR THE WEEK

Directors – Please submit agenda items at the following link: <https://orgsync.com/83329/forms/239984>

State Relations Director James Krotz:

- State Higher Education Day on 2/7/18 went very well. We had very few negative interactions with legislators, and many expressed interest in our platforms, particularly restoration of funding. However, they also said that the Supreme Court has their hands tied with K-12 funding. Many were less receptive on the issue of local control, preferring the Aurand Amendment, requiring training to conceal and carry on a college campus.
- UPDATES ON INDIVIDUAL BILLS:
 - Rep. Troy Waymaster (R-Russell) has expressed interest to Sue Peterson in restoring some funding to higher education from the cuts we endured in FY 2016. He asked for a budget breakdown of what partial restoration would look like. For K-State, a full restoration would be to the tune of \$3.07 million. A full restoration to all the universities would be \$6.13 million. A 1/4, 1/2, and 3/4 restoration to K-State would be \$768,000, \$1.53 million, and \$2.30 million, respectively. Sue believes we will get SOME funding returned to us, as tax revenue is well above estimates for now.
 - SB 340 Campus Free Speech Protection Act. This bill would prohibit Kansas universities from cancelling controversial speakers (think Ann Coulter, etc.) due to cost of security. This bill is in response to University of California - Berkeley cancelling speeches by Ben Shapiro and Milo Yiannopolous due to the cost of security to shield the speaker from protesters. Administration and some students have some concerns with this bill. It passed out of the Senate Fed and State Affairs committee on Monday and is on it's way to the Senate floor. Contact your Senator if you have strong feelings on this bill.
 - HB 2042 Concealed Carry Amendments. This is the bill that would lower the age to conceal and carry to 18, as well as require training and permits for everyone who wants to carry a weapon on a Kansas college campus. The NRA is lobbying hard to pass the bill without the Aurand amendment (requiring permits). If the Aurand Amendment is stripped in the Senate Fed and State Affairs committee, it will still require 18-20 year olds to have a permit to carry on campus. Hearings were held last week in the Senate Fed and State Affairs committee, and no further action has been taken. Contact Chairman Bud Estes (Bud.Estes@senate.ks.gov) if you have strong opinions on this bill.
 - HB 2643 Modifying tuition for undocumented students. Basically, this bill would charge out of state tuition to undocumented students. K-State currently has 25 that we know of. Luckily, this bill died in the House Higher Education Budget Committee on Monday. Moderate Republicans Patty Markley (Overland Park), Shelee Brim (Shawnee), and Susie Swanson (Clay Center) joined with Democrats Eber Phelps (Hays), Brandon Whipple (Wichita), and Jason Probst (Hutchinson) to kill it. If these are your Reps, please call or email them to thank them. It still might come up on the House floor as an amendment. Stay tuned.
- REGISTER TO VOTE!

DIRECTORS REPORT

- State Relations Director James Krotz:
 - State Higher Education Day on 2/7/18 went very well. We had very few negative interactions with legislators, and many expressed interest in our platforms, particularly restoration of funding. However, they also said that the Supreme Court has their hands tied with K-12 funding. Many were less receptive on the issue of local control, preferring the Aurand Amendment, requiring training to conceal and carry on a college campus.
 - UPDATES ON INDIVIDUAL BILLS:
 - Rep. Troy Waymaster (R-Russell) has expressed interest to Sue Peterson in restoring some funding to higher education from the cuts we endured in FY 2016. He asked for a budget breakdown of what partial restoration would look like. For K-State, a full restoration would be to the tune of \$3.07 million. A full restoration to all the universities would be \$6.13 million. A 1/4, 1/2, and 3/4 restoration to K-State would be \$768,000, \$1.53 million, and \$2.30 million, respectively. Sue believes we will get SOME funding returned to us, as tax revenue is well above estimates for now.
 - SB 340 Campus Free Speech Protection Act. This bill would prohibit Kansas universities from cancelling controversial speakers (think Ann Coulter, etc.) due to cost of security. This bill is in response to University of California - Berkeley cancelling speeches by Ben Shapiro and Milo Yiannopolous due to the cost of security to shield the speaker from protesters. Administration and some students have some concerns with this bill. It passed out of the Senate Fed and State

Affairs committee on Monday and is on it's way to the Senate floor. Contact your Senator if you have strong feelings on this bill.

- HB 2042 Concealed Carry Amendments. This is the bill that would lower the age to conceal and carry to 18, as well as require training and permits for everyone who wants to carry a weapon on a Kansas college campus. The NRA is lobbying hard to pass the bill without the Aurand amendment (requiring permits). If the Aurand Amendment is stripped in the Senate Fed and State Affairs committee, it will still require 18-20 year olds to have a permit to carry on campus. Hearings were held last week in the Senate Fed and State Affairs committee, and no further action has been taken. Contact Chairman Bud Estes (Bud.Estes@senate.ks.gov) if you have strong opinions on this bill.
- HB 2643 Modifying tuition for undocumented students. Basically, this bill would charge out of state tuition to undocumented students. K-State currently has 25 that we know of. Luckily, this bill died in the House Higher Education Budget Committee on Monday. Moderate Republicans Patty Markley (Overland Park), Shelee Brim (Shawnee), and Susie Swanson (Clay Center) joined with Democrats Eber Phelps (Hays), Brandon Whipple (Wichita), and Jason Probst (Hutchinson) to kill it. If these are your Reps, please call or email them to thank them. It still might come up on the House floor as an amendment. Stay tuned.

DIRECTOR'S REPORTS FOR THE WEEK

Directors – Please submit agenda items at the following link: <https://orgsync.com/83329/forms/239984>

Athletics Liaison Nick Edwards:

- Student Passes go on sale the Monday after Spring Break.
- Young alumni (anyone within 5 years of graduation) can get season tickets for as cheap as \$199. Do this.

State Relations Director James Krotz:

- Legislative Updates:
 - o Gun Bill - The bill with the two amendments attached (one that lowers the age to conceal and carry a weapon statewide to 18, the other requiring anyone who wants to conceal and carry on campus to have a permit) is still in the Senate Fed and State Affairs committee. Sue Peterson believes the two amendments will likely be stripped and passed by the Senate. The original bill would have no effect on higher education. In this scenario, our campus weapons policy would remain unchanged.
 - o Budget - Sue Peterson's assessment is that a full restoration of the 2016 cuts to K-State (\$4.2 million) are unlikely, but a partial restoration could happen. The legislative session could drag on for awhile longer, as results from a study being conducted on K-12 funding are not expected until the end of March, which is one week before the end of the session. They will likely be called into special session in May to pass a budget.

Organizations and ARH Outreach Director Sadie Polson:

- As many of you may have noticed, CSI Director Kelli Farris and I sent out a survey this past Monday to individuals involved with any and all student organizations. As we near the one-year mark of organizations' transitions to Dependent Student Organizations (DSOs) and Independent Student Organizations (ISOs), we are looking for feedback to better understand how CSI and SGA can collaborate to support our organizations here at K-State.
 - o Feel free to take part in the survey: https://kstate.qualtrics.com/jfe/form/SV_50c9C356AIruhpi. We greatly appreciate your input!

Student Support Director Stephen Kucera:

- The SGA/Campus Initiatives Workgroup is conducting 2 surveys to help students decide what positions and committees they are interested in. Please complete these by next Thursday, March 8.
 - o Committee Survey - <https://goo.gl/forms/4hVnZdOtYtAgDykh1>
 - o Position Survey - <https://goo.gl/forms/KkKPb0groAaPyWBl2>
- Community Solutions to Affordable Housing is hosting an event on Thursday, April 12 from 7-9PM in the Manhattan Public Library. Please encourage fellow students to RSVP to donnash@ksu.edu for the event. If you are unable to make it to the event but have a story you want to share, please contact Briana Carrillo (bricar3@ksu.edu).

DIRECTORS REPORT

Athletics Liaison Nick Edwards:

- Student Passes go on sale the Monday after Spring Break.
- Young alumni (anyone within 5 years of graduation) can get season tickets for as cheap as \$199. Do this.

State Relations Director James Krotz:

- Legislative Updates:
 - Gun Bill - The bill with the two amendments attached (one that lowers the age to conceal and carry a weapon statewide to 18, the other requiring anyone who wants to conceal and carry on campus to have a permit) is still in the Senate Fed and State Affairs committee. Sue Peterson believes the two amendments will likely be stripped and passed by the Senate. The original bill would have no effect on higher education. In this scenario, our campus weapons policy would remain unchanged.
 - Budget - Sue Peterson's assessment is that a full restoration of the 2016 cuts to K-State (\$4.2 million) are unlikely, but a partial restoration could happen. The legislative session could drag on for awhile longer, as results from a study being conducted on K-12 funding are not expected until the end of March, which is one week before the end of the session. They will likely be called into special session in May to pass a budget.

Organizations and ARH Outreach Director Sadie Polson:

- As many of you may have noticed, CSI Director Kelli Farris and I sent out a survey this past Monday to individuals involved with any and all student organizations. As we near the one-year mark of organizations' transitions to Dependent Student Organizations (DSOs) and Independent Student Organizations (ISOs), we are looking for feedback to better understand how CSI and SGA can collaborate to support our organizations here at K-State.

- Feel free to take part in the survey:
https://kstate.qualtrics.com/jfe/form/SV_50c9C356A1ruhpij. We greatly appreciate your input!
- Student Support Director Stephen Kucera:
 - The SGA/Campus Initiatives Workgroup is conducting 2 surveys to help students decide what positions and committees they are interested in. Please complete these by next Thursday, March 8.

These revisions will be introduced to the new senate within the next couple of weeks for those that are interested in knowing what the proposed revisions are.
- Terms for the Judicial Branch do not end until the end of the semester, but we all wanted to say a big thank you to working with us all year. We've enjoyed becoming a more involved branch within SGA and on K-State's campus and look forward to continuing this trend into the future!

WHEREAS, Among their recommendations for the future, concerning a timeline for the creation of the Center, the Planning Group noted that “in this transitional time of leadership and organizational restructuring, a definitive timeline is difficult to recommend. The committee wishes to emphasize, however, that continued progress must be made, made transparent, and timelines must be developed and communicated to ensure forward progress and accountability”;

WHEREAS, Additionally, the Planning Group stated that it is vitally important to prioritize the creation of a space that, “brings people together for reflection, education, and action on issues of diversity and social justice; expands students’ cultural horizons while honoring their respective cultural experiences; provides a welcoming environment for prospective and current multicultural students and for students of varied sexualities, genders, abilities, and religions; and promotes and fosters the intercultural and cross cultural understanding, skills, and strategies for students to be successful at K-State and beyond”; and

BE IT RESOLVED THAT:

SECTION 1. Kansas State University Student Governing Association (KSU SGA) declares its shared commitment to the realization of this Center with students who have advocated tirelessly for tangible progress and echo the need for a space dedicated to giving every student the opportunity to experience, learn about, and embrace all forms of diversity in a way that would benefit the entire K-State Family.

SECTION 2. KSU SGA advocates the Multicultural Student Center be built to provide a space that promotes academic stability, helps improve the retention rate of multicultural students, and further helps enrich the leadership skills of all students on campus; to be culturally explorative, fostering an atmosphere conducive to students feeling safe and comfortable to attend the University, a place that provides adequate storage, kitchen, meeting, and event space as well as universal support of all Multicultural Student Organizations; and to be a space that offers mental health services specifically tailored to the needs of multicultural students.

SECTION 3. KSU SGA insists that the Center should be open to all KSU students and used specifically to meet the needs of international students, multicultural students, students with disabilities, students who identify as LGBTQ+, and other traditionally marginalized and underrepresented voices.

SECTION 4. KSU SGA calls on university administration and the KSU Foundation to work with us – the student body – to publicly and collaboratively develop a plan within the next academic year aimed at strategic fundraising, serving not only to address concerns, but also to fully realize the capacity of our fundraising capability and bring passionate advocates to the table in achieving the breaking of ground on a Multicultural Student Center.
