16 entertainment for students;17
18 **WHEREAS,** Privilege Fee Committee analyzed the relationships between the number of attendees at
19 events and their respective budgets;20
21 **WHEREAS,** Privilege Fee Committee encourages UPC to budget their money in a way that prioritizes
22 total student body impact over intra-organizational leadership budgets including the
23 executive budget and food;24
25 **WHEREAS,** Privilege Fee Committee feels a reduction of events would not inhibit the UPC to fulfill
26 their mission in providing students with fun, quality and safe entertainment; and27
28 **WHEREAS,** The Privilege Fee Committee feels that a decrease of 2% will not inhibit UPC's ability to
29 produce diverse and quality events to the student body.30
31 **BE IT ENACTED THAT:**32
33 **SECTION 1.** The Kansas State University Student Governing Association approves the following
34 Privilege Fee Budget Agreement. This privilege fee budget agreement shall be included

39 This agreement made this XXth day of January 2019, between the Kansas State University Student

85 KSU SGA and such review could result in decrease or termination of funding of the
86 BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall not
87 constitute a waiver of such rights in that instance or in any other instance.

COLLEGE OF BUSINESS BUILDING HOURS**

BY: Lanessa Aurand, Madison Brown, Hannah Heatherman, Alec Hildreth and Derek Hildreth

WHEREAS, The Tuition and Fees Strategies Committee (TFSC) implemented a new fee review process this year “to review existing fees, not new proposals” and “make recommendations to the Dean, Provost and President”;

WHEREAS, The College of Arts & Sciences and the College of Business were reviewed by TFSC this year;

WHEREAS, Students enrolled in a College of Business course pay \$65 per credit hour, generating revenue to support a faculty surcharge used to retain and hire new faculty;

WHEREAS, Every student on campus pays \$4 per credit hour to support an Academic Infrastructure Enhancement Fee. Of this, \$2 per credit hour is used solely to pay off the College of Business Building;

WHEREAS, The faculty surcharge account report for Fiscal Year 16, 17 and 18 indicates surplus balances of \$453,340.54, \$875,691.45 and \$317,606.10, respectively;

WHEREAS, This fee has also been utilized in the past to employ student workers in the College;

WHEREAS, The College of Business Building has 48 study rooms and currently stays open until 10 PM Sunday-Thursday each week;

WHEREAS, The current operating hours are restricted by the need to hire staff to ensure the building is safe for students using the space;

WHEREAS, Damage to Hale Library was sustained from an accidental fire on May 22, 2018 and will cause the building to be closed for the remainder of the 2018-2019 academic year; and

WHEREAS, Extending the hours in the College of Business would help to mitigate the shortage of study space on the K-State campus.

“Cowardice asks the question, 'Is it safe?' Expediency asks the question, 'Is it politic?' Vanity asks the question, 'Is it popular?' But, conscience asks the question, 'Is it right?' And there comes a time when one must take a position that is neither safe, nor politic, nor popular, but one must take it because one's conscience tells one that it is right.” – Martin Luther King Jr.

29
30 **WHEREAS,** Zeb Willey, a student at Kansas State University (KSU), agreed to create a video for
31 Ryan Kelly for his Student Body President campaign for free, not only because Kelly was
32 a friend but also because he was a fellow KSU student;

33
34 **WHEREAS,** Prior to filing the initial expense report, Kelly, along with others on his campaign,
35 decided that based on precedent and a detailed reading of the rules, the videography
36 services provided by Willey were unnecessary to include in the expense report;

37
38 **WHEREAS,** Upon review of the expense reports of both campaigns, the Elections Committee "did not
39 find any violations in either report";

45 Statutes;

46
47 **WHEREAS,** Student Tribunal upheld the decision of the Elections Committee;

53 Student Body President campaign for free, not only because Kelly was a friend, but also

55
56 **WHEREAS,** Kelly was found in violation on the morning of Thursday, February 14th, 2019, for not
57 expensing photography work done by Mr. Tayal for his campaign;
58
59 **WHEREAS,** A decision to not file an appeal was made because it was assumed that Student Tribunal
60 would reach the same conclusion for Tayal's creative services as they had for Willey's
61 creative services;
62
63 **WHEREAS,** The sanctions put in place by the Elections Committee required the partial expensing of
64 the time the photos had been used and the inability to continue using any of these
65 photos;
66
67 **WHEREAS,** Both of these violations involve services of time and talent contributed to the campaign;
68

85
86 **WHEREAS,** Alec Hildreth has previously received compensation for his social media marketing
87 services and contributed an estimated \$450 to Kelly-Spencer campaign;
88
89 **WHEREAS,** Kelly offered Elections Commissioner Kristen Schau an itemized receipt explaining the
90 aforementioned services on the night of February 14th, 2019 at 4:45 pm;
91
92 **WHEREAS,** Schau emailed Kelly later on February 14th, 2019, stating "I will not be filing a complaint
93 against your campaign" in regards to the services listed on the receipt;
94
95 **WHEREAS,** In the spirit of full transparency and to eliminate the potential need for additional
96 violations and hearings, Kelly made the decision to expense these services on his revised
97 expense report at 4:34 pm on Friday, February 15th, 2019;
98
99 **WHEREAS,** On February 18th, 2019, Kelly was informed that Elections Committee member Chelsea

WHEREAS, All relevant information regarding Valdez’s website work was presented to the Elections commissioner four days before the hearing, as Valdez was not notified by the Elections Commissioner and thus unable to attend the hearing to personally testify;

WHEREAS, In their final determination, the Elections Commissioner stated: “the campaign has thus been using the website for 74% of the total time. 74% of \$200 is \$148.57” and this “puts the candidate over their expense limit, [but] it does not exceed the limit by more than five percent as per Chapter 54-0102-J-10. Therefore this is not a major violation”;

WHEREAS, \$148.57 is more than \$42, therefore the Kelly-Spencer campaign should have been found in major violation;

WHEREAS, Article I, Section 2, Part C of the KSU SGA By-Laws states, “The Elections Commissioner shall be responsible for carrying out the KSU SGA elections, [and] carrying out all provisions of the Elections Regulations Code”;

WHEREAS, Schau currently serves as Elections Commissioner for the 2018-2019 term;

WHEREAS, Article I, Section 2, Part D of the KSU SGA By-Laws states that “Student Senate, by resolution adopted by two-thirds vote of the total membership of Student Senate selected and qualified, may remove the Elections Commissioner for misfeasance, malfeasance, or nonfeasance”; and

WHEREAS, These inactions are a display of nonfeasance, or “failure to perform an act that is either an official duty or a legal requirement”, which is an offense that provides grounds for removal from office.

BE IT RESOLVED THAT:

SECTION 1. Kristen Schau be removed from the position of Elections Commissioner for the 2018-2019 term.

“Cowardice asks the question, 'Is it safe?' Expediency asks the question, 'Is it politic?' Vanity asks the question, 'Is it popular?' But, conscience asks the question, 'Is it right?' And there comes a time when one must take a position that is neither safe, nor politic, nor popular, but one must take it because one's conscience tells one that it is right.” –

29
30 **WHEREAS,** Zeb Willey, a student at Kansas State University (KSU), agreed to create a video for
31 Ryan Kelly for his Student Body President campaign for free, not only because Kelly was
32 a friend but also because he was a fellow KSU student;

33
34 **WHEREAS,** Prior to filing the initial expense report, Kelly, along with others on his campaign,
35 decided that based on precedent and a detailed reading of the rules, the videography
36 services provided by Willey were unnecessary to include in the expense report;

37
38 **WHEREAS,** Upon review of the expense reports of both campaigns, the Elections Committee "did not
39 find any violations in either report";

40
41 **WHEREAS,** Kelly was found in violation on the evening of Sunday, February 10th, 2019, for not
42 expensing videography work done by Willey for his campaign;

43
44 **WHEREAS,** An appeal was filed according to Chapter 54, Section 54-0124 of the KSU SGA
45 Statutes;

46
47 **WHEREAS,** Student Tribunal upheld the decision of the Elections Committee;

48
49 **WHEREAS,** The sanctions put in place by the Elections Committee required the partial expensing of
50 the time the video had been used and the inability to continue using the video;

51
52 **WHEREAS,** Aryan Tayal, a student at KSU, agreed to shoot and edit photographs for Kelly for his
53 Student Body President campaign for free, not only because Kelly was a friend, but also
54 because he was a fellow KSU student;

55
56 **WHEREAS,** Kelly was found in violation on the morning of Thursday, February 14th, 2019, for not
57 expensing photography work done by Mr. Tayal for his campaign;
58

59 **WHEREAS,** A decision to not file an appeal was made because it was assumed that Student Tribunal
60 would reach the same conclusion for Tayal's creative services as they had for Willey's
61 creative services;
62

63 **WHEREAS,** The sanctions put in place by the Elections Committee required the partial expensing of
64 the time the photos had been used and the inability to continue using any of these
65 photos;
66

67 **WHEREAS,** Both of these violations involve services of time and talent contributed to the campaign;
68

69 **WHEREAS,** Kelly, in following the logic of the decisions made by the Elections Board and Student
70 Tribunal submitted an expense report that included all services contributed to his
71 campaign;
72

73 **WHEREAS,** Jordan Martin has previously received compensation for his work as treasurer of the KSU
74 Student Governing Association (SGA), and contributed an estimated \$382.81 to the
75 Kelly-Spencer campaign;
76

77 **WHEREAS,** Ian Boyd has previously received compensation for his campaign management services
78 and contributed an estimated \$1,100.00 to the Kelly-Spencer campaign;
79

80 **WHEREAS,** Lanessa Aurand has previously received compensation for her social media marketing
81 services and contributed an estimated \$75.00 to the Kelly-Spencer campaign;
82

83 **WHEREAS,** Victor Valdez has previously received compensation for his web development services
84 and contributed an estimated \$1,200.00 to the Kelly-Spencer campaign;
85

86 **WHEREAS,** Alec Hildreth has previously received compensation for his social media marketing
87 services and contributed an estimated \$450 to Kelly-Spencer campaign;
88

89 **WHEREAS,** Kelly offered Elections Commissioner Kristen Schau an itemized receipt explaining the
90 aforementioned services on the night of February 14th, 2019 at 4:45 pm;
91

92 **WHEREAS,** Schau emailed Kelly later on February 14th, 2019, stating "I will not be filing a complaint
93 against your campaign" in regards to the services listed on the receipt;
94

95 **WHEREAS,** In the spirit of full transparency and to eliminate the potential need for additional
96 violations and hearings, Kelly made the decision to expense these services on his revised
97 expense report at 4:34 pm on Friday, February 15th, 2019;
98

99 **WHEREAS,** On February 18th, 2019, Kelly was informed that Elections Committee member Chelsea
100 Phillips filed a complaint for "Incurring campaign expenses that exceed the limit by more
101 than five percent [which] is defined as a major offense under section 54-0102-J-10" and
102 that "for the Kelly Spencer campaign, five percent over the limit is \$42";
103

104 **WHEREAS,** The violation hearing was held on February 18th, 2019 at 5:30 pm;
105

106 **WHEREAS,** Kelly was not found in violation under Chapter 54, Section 54-0102-J-10, but was found
107 in violation for not expensing Valdez's website development services;
108

WHEREAS, Prior to the hearing, Schau did not file a violation regarding Valdez’s service, and even told Kelly the service did not need to be expensed;

WHEREAS, All relevant information regarding Valdez’s website work was presented to the Elections commissioner four days before the hearing, as Valdez was not notified by the Elections Commissioner and thus unable to attend the hearing to personally testify;

WHEREAS, In their final determination, the Elections Commissioner stated: “the campaign has thus been using the website for 74% of the total time. 74% of \$200 is \$148.57” and this “puts the candidate over their expense limit, [but] it does not exceed the limit by more than five percent as per Chapter 54-0102-J-10. Therefore this is not a major violation”;

WHEREAS, \$148.57 is more than \$42, therefore the Kelly-Spencer campaign should have been found in major violation;

WHEREAS, Article I, Section 2, Part C of the KSU SGA By-Laws states, “The Elections Commissioner shall be responsible for carrying out the KSU SGA elections, [and] carrying out all provisions of the Elections Regulations Code”;

WHEREAS, Schau currently serves as Elections Commissioner for the 2018-2019 term;

WHEREAS, Article I, Section 2, Part D of the KSU SGA By-Laws states that “Student Senate, by resolution adopted by two-thirds vote of the total membership of Student Senate selected and qualified, may remove the Elections Commissioner for misfeasance, malfeasance, or nonfeasance”; and

WHEREAS, These inactions are a display of nonfeasance, or “failure to perform an act that is either an official duty or a legal requirement”, which is an offense that provides grounds for removal from office.

BE IT RESOLVED THAT:

SECTION 1. Kristen Schau be removed from the position of Elections Commissioner for the 2018-2019 term.

1 **RESOLUTION 18/19/47**

2 **RESOLUTION FOR ELECTRONIC**
3 **CIGARETTE EXEMPTION FROM SMOKING BAN**

4 **BY:** Alec Hildreth, Derek Hildreth, Michael Leverett, Rajat Kodira, Sean Marshall, Cory
5 Sitek and Ben Snyder

6
7 **WHEREAS,** In 2016, the Special Committee on Tobacco and Smoking Engagement surveyed
8 students, tabled in the K-State Student Union and led an open forum to gather input
9 regarding what students think the new smoking on campus policy should be;

10
11 **WHEREAS,** The survey was sent out to a stratified sample of 2,423 students and received 744
12 responses (30 percent);

13
14 **WHEREAS,** Sixteen percent of surveyed students identified as smokers and/or tobacco product users;

15
16 **WHEREAS,** Kansas State Student Governing Association (KSU SGA) passed Resolution 15/16/61
17 Resolution in Support of a Complete Smoking and Tobacco Ban on Campus on February
18 18th, 2016;

19
20 **WHEREAS,** This resolution led to the enactment of “Cats for Clean Air,” an initiative aimed at
21 eliminating secondhand smoke on K-State’s campuses;

22
23 **WHEREAS,** This initiative prohibits the smoking of “cigarettes, cigars, pipes or burning tobacco in
24 any other form or device, as well as the use of electronic cigarettes, vaporizers, hookah or
25 other water pipe devices and all other related devices in university owned vehicles and on
26 university property, except inside personal vehicles;”

27
28 **WHEREAS,** KSU’s “Cats for Clean Air” website states that students who have been reported for
29 smoking on campus are subject to Student Code of Conduct violations;

30
31 **WHEREAS,** A study published in the National Library of Medicine-National Institutes of Health
32 stated that there is “no significant risk of harm to human health from e-cigarette
33 emissions;” and

34
35 **WHEREAS,** Enforcing this ban isolates and stigmatizes electronic cigarette smokers, criminalizing an
36 action that, according to this study, has no health risks to observers.

37
38 **BE IT RESOLVED THAT:**

39
40 **SECTION 1.** The Kansas State Student Governing Association (KSU SGA) recognizes that our “Cats
41 for Clean Air” initiative is noble in its pursuit to eliminate dangerous second-hand smoke
42 on campus.

43
44 **SECTION 2.** KSU SGA supports a change in the official campus smoking policy to allow the use of
45 electronic cigarettes outside of buildings and/or in designated smoking spots on the
46 Kansas State University Manhattan campus as e-cigarettes do not emit smoke that is
47 harmful to observers.

48
49 **SECTION 3.** Upon passage by the Student Senate and signature of the Student Body President, a copy
50 of this resolution shall be sent to Kansas State University President Richard B. Myers.

RESOLUTION 18/19/47

**RESOLUTION FOR ELECTRONIC
CIGARETTE EXEMPTION FROM SMOKING BAN**

BY: Alec Hildreth, Derek Hildreth, Michael Leverett, Rajat Kodira, Sean Marshall, Cory Sitek and Ben Snyder

WHEREAS, In 2016, the Special Committee on Tobacco and Smoking Engagement surveyed students, tabled in the K-State Student Union and led an open forum to gather input regarding what students think the new smoking on campus policy should be;

WHEREAS, The survey was sent out to a stratified sample of 2,423 students and received 744 responses (30 percent);

WHEREAS, Sixteen percent of surveyed students identified as smokers and/or tobacco product users;

WHEREAS, Kansas State Student Governing Association (KSU SGA) passed Resolution 15/16/61 Resolution in Support of a Complete Smoking and Tobacco Ban on Campus on February 18th, 2016;

WHEREAS, This resolution led to the enactment of “Cats for Clean Air,” an initiative aimed at eliminating secondhand smoke on K-State’s campuses;

WHEREAS, This initiative prohibits the smoking of “cigarettes, cigars, pipes or burning tobacco in any other form or device, as well as the use of electronic cigarettes, vaporizers, hookah or other water pipe devices and all other related devices in university owned vehicles and on university property, except inside personal vehicles;”

WHEREAS, KSU’s “Cats for Clean Air” website states that students who have been reported for smoking on campus are subject to Student Code of Conduct violations;

WHEREAS, A study published in the National Library of Medicine-National Institutes of Health stated that there is “no significant risk of harm to human health from e-cigarette emissions;” and

SECTION 1. The Kansas State Student Governing Association (KSU SGA) recognizes that our “Cats for Clean Air” initiative is noble in its pursuit to eliminate dangerous second-hand smoke on campus.

SECTION 2. KSU SGA supports a change in the official campus smoking policy to allow the use of electronic cigarettes outside of buildings and/or in designated smoking spots on the Kansas State University Manhattan campus as e-cigarettes do not emit smoke that is harmful to observers.

SECTION 3. Upon passage by the Student Senate and signature of the Student Body President, a copy of this resolution shall be sent to Kansas State University President Richard B. Myers.

WHEREAS, Chapter 54 of the Kansas State University Student Governing Association (KSU SGA) Statutes states “The Elections Regulations Code shall govern general and special elections” of KSU SGA;

WHEREAS, The KSU SGA elections system is the means by which candidates, constituents, and current office-holders can connect with one another, identifying and addressing the issues that impact the Kansas State University (KSU) student body;

WHEREAS, If KSU SGA is to operate to its fullest potential and truly promote a representative process, then the organization must review the governing documents to discover the most equitable process for conducting and regulating elections;

WHEREAS, In recent years, there have been no major structural revisions to the KSU SGA governing documents regarding elections and the Elections Regulations Code;

WHEREAS, In recent years of KSU SGA elections, clear issues of misunderstanding and misinterpretation of the Elections Regulations Code have presented significant barriers to navigating the system and executing successful campaigns;

WHEREAS, The Elections Regulations Code, as written in the KSU SGA Statutes, has struggled to keep up with the rapid changes in technology and communication that shape the experience of modern students;
