 - 2. Personal Materials. Student activity funds may not be spent on any personal materials, such as plaques, gifts, awards, flowers, nametags, engravings for specific individuals, photographs, or clothing.
 - 3. Wages. Student activity funds may not be spent on wages or compensation of any kind, with the exception of projectionists and security officers as required by a rental facility.

- 161 4. Recruitment. Student activity funds may not be spent on any trips or
162 events in which recruitment is the sole purpose, except when the
163 Diversity, Equity, and Inclusion Committee finds a substantial
164 educational benefit to the Kansas State University students making the
165 request.
166

167 24-0204 In special circumstances, should a student organization wish to substitute a lecturer,
168 speaker and/or entertainer, the student organization must consult with the DEI Chair, who
169 will make a decision in consultation with the Student Services Fee Committee Chair; and,
170 if the event in question takes place before the next scheduled DEI funding meeting,
171 members of the DEI committee whether or not to allow the substitution. Substituted
172 lecturers, speakers and/or entertainers should meet all Diversity Programming funding
173 criteria and should be at least of similar quality and draw a similar number of students.
174 No additional funds may be allocated to the substituted event. If the DEI Chair decides
175 not to allow an event substitution and the original event must be cancelled, then funds
176 will be carried forward to use for the next group of requests. Unused funds, other than the
177 circumstance mentioned above, will revert back to the Diversity Programming reserve at
178 the end of each fiscal year.
179

180 24-0205 DEI shall seek proposals for funding from all student organizations on campus and
181 conduct meetings at which applicants may verbalize their requests and field any questions
182 from the committee.
183

184 **24-03 *Appeal and Reconsideration of Diversity Programming DPC***
185 ***Decisions***
186

187 24-0301 The Diversity, Equity, and Inclusion Committee shall have sole jurisdiction for the
188 purposes of appeal and reconsideration by committee of any requests initially heard by
189 the committee.
190

191 24-0302 The Diversity, Equity, and Inclusion Committee will reconsider a funding request if any
192 of the following are alleged to have occurred:
193 A. The Committee failed to provide a fundamentally fair process including, but not
194 limited to, defective notice and failure to follow written procedures and rules as
195 outlined in the KSU SGA Statutes.
196 B. The committee reached a decision in an unjust manner, including, but not limited
197 to, the presence of bias, unreasonable, arbitrary, or capricious action, and
198 discrimination on the basis of race, religion, color, sex, physical ability, national
199 origin, sexual orientation, ancestry, or any Kansas Board of Regents protected
200 category.
201 C. The organization has new information that may affect the committee's decision
202 on the request. This new information must pertain to the original request and
203 must not have been available at the time of the original request.
204

205 24-0303 If an organization is dissatisfied with their recommended allocation and they meet at least
206 one of the above-mentioned circumstances, the organization may take the following
207 action for reconsideration of their request:
208 A. The organization files a completed reconsideration form in the Center for Student
209 Involvement to the Speaker of the Student Senate within 72 hours (weekends
210 excluded) of receiving notification of recommended allocation amount.
211 B. If the organization completes the reconsideration form in the allotted time frame,
212 the committee, in conjunction with the Speaker of the Student Senate, will hear
213 the organization's reconsideration request at the next available committee
214 meeting.

215 C. After the organization's reconsideration request is heard, the committee will vote
216 on the request. The decision voted on by the committee members will be final.
217 No further reconsideration on the request will be heard.
218

13 undergraduate students and a cumulative GPA requirement of 3.000 for graduate students

100 **24-02 *Rules for Diversity Programming Fund Allocations***
101

102 24-0201 Use of Diversity Programming funds is limited to the following purposes:

103 A. Projects sponsored primarily by student organizations in good standing with the
104 university and registered with the Center for Student Involvement (CSI) and are
105 eligible to receive funding from the Kansas State University Student Governing
106 Association (KSU SGA).

- B. Projects with educational value that are intended to provide cross-cultural learning experiences or education on the topics of diversity, inclusion, or discrimination based on race, ethnicity, religion, gender, disability, sexual orientation, socioeconomic status, geographic location, or age.
- ~~C. Requests for allocations of \$3,000.00 or more.~~
- D. C. Projects held on campus and hosted primarily for Kansas State University students, with priority extended to projects held on campus; no traveling or conference expenditures will be funded.
- E. D. Projects free and open to all Kansas State University students.

24-0202

Organizations interested in hosting projects that adhere to the stipulations outlined in Section 21-0102 of the Kansas State University Student Governing Association (KSU SGA) Statutes shall:

- A. Submit their project proposals to DEI before requesting funding for any other KSU SGA source.
- B. Only apply for funding from another KSU SGA source after missing DEI 50 day deadline or DEI does not choose to fund the project.
- C. Be prohibited from using other KSU SGA funds to supplement or replace allocations from DEI.

24-0203

Funds requested for a project must be divided into separate categories, as outlined below. Each category must have a detailed description of the items requested and estimate of the cost of each item.

- A. Promotions. Promotions shall include any expense related to the advertisement of an activity, such as Collegian advertisements, KSDB or any radio advertisements, leaflets or posters, and other such materials as determined by the Diversity, Equity, and Inclusion Committee.
- B. Lecturer, Speaker, or Entertainer Fee (LSE Fees). LSE Fees shall include any funds requested by an organization in order to bring a speaker to campus, including their travel, lodging costs, food, and fee to perform a planned project or event.
- C. Rent of Space and Equipment. Rent of space and equipment shall include any expenses related to renting rooms or other areas for performances, and other such events, as well as any costs related to rental of tables and chairs, movie projectors, or other necessary materials for a project.
- D. Films. Films shall include any expense for the rental of movies, documentaries, recorded theatrical shows, or other such events.
- E. Food. Food shall include ingredients or pre-packaged food items who primary purpose is to add to the intercultural learning experience of the event, as determined by the Diversity, Equity, and Inclusion Committee.
- F. Other. This category shall include any expenses for items that do not reasonable fit in the above categories, as determined necessary by the Diversity, Equity, and Inclusion Committee. However, this category shall be subject to the limitation on funding, listed below:
 - 1. Social Events. Student activity funds may not be spent on any materials pertaining to social functions, parties, or banquets, except when the Diversity, Equity, and Inclusion Committee finds a substantial educational benefit.
 - 2. Personal Materials. Student activity funds may not be spent on any personal materials, such as plaques, gifts, awards, flowers, nametags, engravings for specific individuals, photographs, or clothing.
 - 3. Wages. Student activity funds may not be spent on wages or compensation of any kind, with the exception of projectionists and security officers as required by a rental facility.

- 161 4. Recruitment. Student activity funds may not be spent on any trips or
162 events in which recruitment is the sole purpose, except when the
163 Diversity, Equity, and Inclusion Committee finds a substantial
164 educational benefit to the Kansas State University students making the
165 request.
166

167 24-0204 In special circumstances, should a student organization wish to substitute a lecturer,
168 speaker and/or entertainer, the student organization must consult with the DEI Chair, who
169 will make a decision in consultation with the Student Services Fee Committee Chair; and,
170 if the event in question takes place before the next scheduled DEI funding meeting,
171 members of the DEI committee whether or not to allow the substitution. Substituted
172 lecturers, speakers and/or entertainers should meet all Diversity Programming funding
173 criteria and should be at least of similar quality and draw a similar number of students.
174 No additional funds may be allocated to the substituted event. If the DEI Chair decides
175 not to allow an event substitution and the original event must be cancelled, then funds
176 will be carried forward to use for the next group of requests. Unused funds, other than the
177 circumstance mentioned above, will revert back to the Diversity Programming reserve at
178 the end of each fiscal year.
179

180 24-0205 DEI shall seek proposals for funding from all student organizations on campus and
181 conduct meetings at which applicants may verbalize their requests and field any questions
182 from the committee.
183

184 **24-03 *Appeal and Reconsideration of Diversity Programming DPC***
185 ***Decisions***
186

187 24-0301 The Diversity, Equity, and Inclusion Committee shall have sole jurisdiction for the
188 purposes of appeal and reconsideration by committee of any requests initially heard by
189 the committee.
190

191 24-0302 The Diversity, Equity, and Inclusion Committee will reconsider a funding request if any
192 of the following are alleged to have occurred:
193 A. The Committee failed to provide a fundamentally fair process including, but not
194 limited to, defective notice and failure to follow written procedures and rules as
195 outlined in the KSU SGA Statutes.
196 B. The committee reached a decision in an unjust manner, including, but not limited
197 to, the presence of bias, unreasonable, arbitrary, or capricious action, and
198 discrimination on the basis of race, religion, color, sex, physical ability, national
199 origin, sexual orientation, ancestry, or any Kansas Board of Regents protected
200 category.
201 C. The organization has new information that may affect the committee's decision
202 on the request. This new information must pertain to the original request and
203 must not have been available at the time of the original request.
204

205 24-0303 If an organization is dissatisfied with their recommended allocation and they meet at least
206 one of the above-mentioned circumstances, the organization may take the following
207 action for reconsideration of their request:
208 A. The organization files a completed reconsideration form in the Center for Student
209 Involvement to the Speaker of the Student Senate within 72 hours (weekends
210 excluded) of receiving notification of recommended allocation amount.
211 B. If the organization completes the reconsideration form in the allotted time frame,
212 the committee, in conjunction with the Speaker of the Student Senate, will hear
213 the organization's reconsideration request at the next available committee
214 meeting.

215 C. After the organization's reconsideration request is heard, the committee will vote
216 on the request. The decision voted on by the committee members will be final.
217 No further reconsideration on the request will be heard.
218

7
8 **WHEREAS,** The Kansas State University Student Governing Association (KSU SGA) should continue
9 to review its governing documents;

10
11 **WHEREAS,** The Tuition and Fees Strategy Committee (TFSC) is a central part of our shared
12 governance model and is a critical, student-led checkpoint for all university and college-
13 specific fee changes;

14
15 **WHEREAS,** The formation of TFSC in 2010 came from a history of tuition and fee increases with
16 limited input from students. This led to Student Body President candidates campaigning
17 on both increased transparency and student involvement in the tuition and fees process;

18
19 **WHEREAS,** The mission of TFSC is clear: to review college-level fees and to evaluate new proposals
20 affecting tuition and fees;

21
22 **WHEREAS,** Each fall, TFSC is assembled via at-large applications with representation from each
23 academic college and immediately tasked with reviewing current college fees based on a
24 three-year cycle;

25
26 **WHEREAS,** Each spring, TFSC is tasked with considering new fee proposals that have been approved
27 by the Provost. This proposal process triggers the formation of the subcommittee called
28 the College Tuition Committee (CTC) to evaluate the merits of the fee on a localized,
29 college by college basis;

30
31 **WHEREAS,** Historically, the fee process was handled entirely through TFSC with limited focus or
32 representation from the specific college in which the fee would be assessed. This led to
33 approval and disapproval of fees by representatives who were not members of that
34 respective college;

35
36 **WHEREAS,** The CTC process was established in the spring of 2019 to further solidify the fee
37 proposal process by assembling campus leaders in that specific college to assess the
38 merits of the proposed fee, provide insight, and ultimately vote to approve or disapprove
39 the fee proposal;

40
41 **WHEREAS,** The new CTC guidelines from the spring 2019 revisions were not formally added to the
42 KSU SGA By-Laws and the last time the fee proposal process was initiated was during
43 the 2018-2019 term. Moreover, this process was halted due to the Kansas Board of
44 Regents (KBOR) tuition and fees freeze thus institutional memory was lost regarding the
45 CTC process;

46
47 **WHEREAS,** This loss of institutional memory created operational confusion in executing the CTC
48 process for both the College of Business and College of Arts and Sciences fee proposals
49 this spring;

50
51 **WHEREAS,** CTC membership selection as well as chairing and vice chairing duties were not defined
52 and were left to the interpretation of the Speaker of the Student Senate and the Student
53 Body President;

WHEREAS, Including the entire college's caucus led to large committees and created challenges as senators had conflicts with the CTC's meeting time. This amendment reduces this challenge by only requiring half of the caucus to serve on the CTC;

WHEREAS, The fee proposal process steps (such as approval from the Provost, presentation to college council, presentation in a student open forum, and certification from TFSC) are now solidified and legislated with this addition to the KSU SGA By-Laws;

WHEREAS, Adding the new CTC guidelines as well as clearly defining the fee proposal structure in the KSU SGA By-Laws provides a stronger foundation to the college fee proposal process and legislates that student voice is heard during fee proposals;

WHEREAS, The name "College Tuition Committee" is confusing, as the committee does not consider tuition; and

WHEREAS, The name "College Fee Committee" is less confusing and provides a better description of what the committee actually reviews.

BE IT ENACTED THAT:

SECTION 1. Article IV Section 12 (A) of the Kansas State University Student Governing Association (KSU SGA) By-Laws shall be amended to read as follows:

A. Tuition and Fees Strategies Committee shall be responsible for studying, analyzing and recommending tuition principles, tuition funding initiatives, college-specific fees, and proposals to KSU SGA and University Administration.

1. The Tuition and Fees Strategies Committee shall be composed of the following members:

a. The Student Body President and the Speaker of the Student Senate shall serve as co-chairs and shall have full voting privileges.

b. One student from each academic college, who shall be jointly appointed by the Student Body President and the Speaker of the Student Senate and be subject to Student Senate approval.

c. One Salina Campus student who shall be jointly appointed by the Student Body President and the Speaker of the Student Senate and be subject to Student Senate approval.

d. The Student Body Vice President and the Student Services Fee Standing Committee Chair, who shall be ex officio, non-voting members.

e. The Vice President for Student Life, Chief Financial Officer, Provost, and Faculty Senate President or their designees shall be ex-officio, non-voting members.

2. A quorum of the Tuition and Fees Strategies Committee shall be six, including the co-chairs. The committee shall meet bi-annually or at the call of the co-chairs.

3. Academic fees are collected as part of the tuition and fees paid by students and are established by university administration at the recommendation of the Tuition and Fees Strategies Committee. The Tuition and Fees Strategies Committee will only make recommendations for the upcoming fiscal year. All current fees or surcharges will continue unless recommended for reconsideration by the TFSC during the three-year review cycle. Academic fees can be assessed

106 from an academic college or unit. These fees are assessed along with student's
107 tuition bill on a credit hour or student status basis.

- 108 4. Each entity wishing to propose a fee to Kansas State University students shall
109 submit an academic fee proposal application provided by The Office of the
110 Provost.

111 a. The proposal submittal must include the academic fee proposal
112 application as well as a three-year projected budget outlining the
113 intended use of the fee dollars.

114 b. Beyond the required academic fee proposal application and three-year
115 projected budget, additional documents and information for use by the
116 Tuition and Fees Strategies Committee are welcomed and encouraged.

- 117 5. The Tuition and Fees Strategy Committee shall conduct fee reviews and report
118 to the University President and Provost on a three-year cycle. The committee
119 may request reports from academic fee recipients in years that their fee is not
120 being reviewed. Any breach of the agreement between the KSU SGA Tuition
121 and Fees Strategy Committee and the academic fee recipient shall result in
122 automatic review of the fee by the Tuition and Fees Strategy Committee. In
123 order to increase a current fee, there must be a new fee proposed that will
124 supersede the original fee if implemented. If an academic or unit desires to fund
125 something outside the scope of the current fee, then there must be another fee
126 presented to the Tuition and Fees Strategies Committee.

127 a. The fee review process must include a report of how the funds have
128 been used in the previous years. Accompanying this report can be an
129 official audit showing where the funds were spent.

130 b. The committee's review of a fee is limited to the parameters and
131 intended funded projects that were put forward in the initial application
132 presented to the committee.

133 c. Upon review of the fee if the committee deems the funds have not been
134 allocated in accordance with the agreement, the committee can put the
135 fee entity on probation for a year. In order to put an entity on probation,
136 the committee must submit a written report to the University President
137 and Provost to explain its reasoning.

138 d. Being placed on probation requires the fee entity to visit the Tuition
139 and Fees Strategy Committee the following year to show how it has
140 used the fee dollars over the past year. If the committee is not satisfied
141 with the distribution of the funds, it can make a recommendation for fee
142 continuation, reduction or termination.

- 143 6. *College Fee Committee(s) shall be subcommittees of the Tuition and Fees*

145 *college fee proposal to the Tuition and Fees Strategies Committee, a College*
146 *Fee Committee shall be established for that academic college.*

9
10 **WHEREAS,** Estimates based on university enrollment data (which includes the 20th day Spring
11 enrollment numbers) show that the collection of the FY22 Student Services Fee is
12 projected to have a shortfall of \$2,032,147.00;

13
14 **WHEREAS,** Withdrawals from the Student Services Fee Debt Reduction and Emergency Allocation
15 Account shall only be made for payment towards outstanding debt on student bonds, for
16 one-time emergency funding allocations, and to meet approved allocations to Student
17 Services fee agencies due to financial shortfall from lower than projected enrollment;

18
19 **WHEREAS,** The Student Services Fee Debt Reduction and Emergency Allocation Account has a total
20 current balance of \$810,000.00;

21
22 **WHEREAS,** The total allotment for the FY22 Student Services Fee base budget is \$15,689,875.00;

23
24 **WHEREAS,** KSU SGA Statute 30-0202 states The Debt Reduction and Emergency Allocation

26
27 **WHEREAS,** To abide by KSU SGA Statutes 30-0202 for FY21, The Debt Reduction and Emergency

29 of funds required to meet our FY21 Student Services Fee base budget;

30
31 **WHEREAS,** The Bond Surplus Account is comprised of all excess payments collected from bonds
32 assessed in the Student Services Fee, including the Union Renovation and Expansion and
33 Recreation Complex Expansion;

34
35 **WHEREAS,** With these bonds, it is required that we charge students more than the actual amount to
36 inhibit any risk for defaulting on these bonds;

37
38 **WHEREAS,** In accordance with KSU SGA Statute 30-0703, bond surplus funds should be utilized on
39 projects that impact the student body, contribute the long-range goals of K-State, add
40 value to campus, and have received approval by KSU SGA;

41
42 **WHEREAS,** Moving funds from the Bond Surplus Account to The Debt Reduction and Emergency
43 Allocation Account would allow solvency, based on our 5% requirement in KSU SGA
44 Statute 30-0202, to fund one-time budget enhancement allocations to Student Services
45 Fee entities as outlined in KSU SGA Statute 30-0205;

46
47 **WHEREAS,** The Bond Surplus Account has a total available balance of \$2,587,625.00; and

SECTION 5. Upon passage by the Student Senate and signature of the Student Body President, these funds are authorized for transfer from the Debt Reduction and Emergency Allocation Account NISADERCPF to the Central Allocation Account for the Student Services Fee Collections NZAS000001 and from the Bond Surplus Account to the Debt Reduction and Emergency Allocation Account NISADERCPF.

7
8 **WHEREAS,** The Kansas State University Student Governing Association (KSU SGA) should continue
9 to review its governing documents;

10
11 **WHEREAS,** The Tuition and Fees Strategy Committee (TFSC) is a central part of our shared
12 governance model and is a critical, student-led checkpoint for all university and college-
13 specific fee changes;

14
15 **WHEREAS,** The formation of TFSC in 2010 came from a history of tuition and fee increases with
16 limited input from students. This led to Student Body President candidates campaigning
17 on both increased transparency and student involvement in the tuition and fees process;

18
19 **WHEREAS,** The mission of TFSC is clear: to review college-level fees and to evaluate new proposals
20 affecting tuition and fees;

21
22 **WHEREAS,** Each fall, TFSC is assembled via at-large applications with representation from each
23 academic college and immediately tasked with reviewing current college fees based on a
24 three-year cycle;

25
26 **WHEREAS,** Each spring, TFSC is tasked with considering new fee proposals that have been approved
27 by the Provost. This proposal process triggers the formation of the subcommittee called
28 the College Tuition Committee (CTC) to evaluate the merits of the fee on a localized,
29 college by college basis;

30
31 **WHEREAS,** Historically, the fee process was handled entirely through TFSC with limited focus or
32 representation from the specific college in which the fee would be assessed. This led to
33 approval and disapproval of fees by representatives who were not members of that
34 respective college;

35
36 **WHEREAS,** The CTC process was established in the spring of 2019 to further solidify the fee
37 proposal process by assembling campus leaders in that specific college to assess the
38 merits of the proposed fee, provide insight, and ultimately vote to approve or disapprove
39 the fee proposal;

40
41 **WHEREAS,** The new CTC guidelines from the spring 2019 revisions were not formally added to the
42 KSU SGA By-Laws and the last time the fee proposal process was initiated was during
43 the 2018-2019 term. Moreover, this process was halted due to the Kansas Board of
44 Regents (KBOR) tuition and fees freeze thus institutional memory was lost regarding the
45 CTC process;

46
47 **WHEREAS,** This loss of institutional memory created operational confusion in executing the CTC
48 process for both the College of Business and College of Arts and Sciences fee proposals
49 this spring;

50
51 **WHEREAS,** CTC membership selection as well as chairing and vice chairing duties were not defined
52 and were left to the interpretation of the Speaker of the Student Senate and the Student
53 Body President;

55 **WHEREAS,** Including the entire college's caucus led to large committees and created challenges as
56 senators had conflicts with the CTC's meeting time. This amendment reduces this
57 challenge by only requiring half of the caucus to serve on the CTC;
58

59 **WHEREAS,** The fee proposal process steps (such as approval from the Provost, presentation to college
60 council, presentation in a student open forum, and certification from TFSC) are now
61 solidified and legislated with this addition to the KSU SGA By-Laws;
62

63 **WHEREAS,** Adding the new CTC guidelines as well as clearly defining the fee proposal structure in
64 the KSU SGA By-Laws provides a stronger foundation to the college fee proposal
65 process and legislates that student voice is heard during fee proposals;
66

67 **WHEREAS,** The name "College Tuition Committee" is confusing, as the committee does not consider
68 tuition; and
69

70 **WHEREAS,** The name "College Fee Committee" is less confusing and provides a better description of
71 what the committee actually reviews.
72

73 **BE IT ENACTED THAT:**
74

75 **SECTION 1.** Article IV Section 12(A) of the Kansas State University Student Governing Association
76 (KSU SGA) By-Laws shall be amended to read as follows:
77

78 A. Tuition and Fees Strategies Committee shall be responsible for studying, analyzing and
79 recommending tuition principles, tuition funding initiatives, college-specific fees, and
80 proposals to KSU SGA and University Administration.
81

82 1. The Tuition and Fees Strategies Committee shall be composed of the following
83 members:
84

85 a. The Student Body President and the Speaker of the Student Senate shall
86 serve as co-chairs and shall have full voting privileges.
87

88 b. One student from each academic college, who shall be jointly
89 appointed by the Student Body President and the Speaker of the
90 Student Senate and be subject to Student Senate approval.
91

92 c. One Salina Campus student who shall be jointly appointed by the
93 Student Body President and the Speaker of the Student Senate and be
94 subject to Student Senate approval.
95

96 d. The Student Body Vice President and the Student Services Fee
97 Standing Committee Chair, who shall be ex officio, non-voting
98 members.
99

100 e. The Vice President for Student Life, Chief Financial Officer, Provost,
101 and Faculty Senate President or their designees shall be ex-officio, non-
102 voting members.
103

104 2. A quorum of the Tuition and Fees Strategies Committee shall be six, including
105 the co-chairs. The committee shall meet bi-annually or at the call of the co-
106 chairs.
107

108 3. Academic fees are collected as part of the tuition and fees paid by students and
109 are established by university administration at the recommendation of the
110 Tuition and Fees Strategies Committee. The Tuition and Fees Strategies
111 Committee will only make recommendations for the upcoming fiscal year. All

current fees or surcharges will continue unless recommended for reconsideration by the TFSC during the three-year review cycle. Academic fees can be assessed from an academic college or unit. These fees are assessed along with student's tuition bill on a credit hour or student status basis.

4. Each entity wishing to propose a fee to Kansas State University students shall submit an academic fee proposal application provided by The Office of the Provost.
 - a. The proposal submittal must include the academic fee proposal application as well as a three-year projected budget outlining the intended use of the fee dollars.
 - b. Beyond the required academic fee proposal application and three-year projected budget, additional documents and information for use by the Tuition and Fees Strategies Committee are welcomed and encouraged.
5. The Tuition and Fees Strategy Committee shall conduct fee reviews and report to the University President and Provost on a three-year cycle. The committee may request reports from academic fee recipients in years that their fee is not being reviewed. Any breach of the agreement between the KSU SGA Tuition and Fees Strategy Committee and the academic fee recipient shall result in automatic review of the fee by the Tuition and Fees Strategy Committee. In order to increase a current fee, there must be a new fee proposed that will supersede the original fee if implemented. If an academic or unit desires to fund something outside the scope of the current fee, then there must be another fee presented to the Tuition and Fees Strategies Committee.
 - a. The fee review process must include a report of how the funds have been used in the previous years. Accompanying this report can be an official audit showing where the funds were spent.
 - b. The committee's review of a fee is limited to the parameters and intended funded projects that were put forward in the initial application presented to the committee.
 - c. Upon review of the fee if the committee deems the funds have not been allocated in accordance with the agreement, the committee can put the fee entity on probation for a year. In order to put an entity on probation, the committee must submit a written report to the University President and Provost to explain its reasoning.
 - d. Being placed on probation requires the fee entity to visit the Tuition and Fees Strategy Committee the following year to show how it has used the fee dollars over the past year. If the committee is not satisfied with the distribution of the funds, it can make a recommendation for fee continuation, reduction or termination.
6. *College Fee Committee(s) shall be subcommittees of the Tuition and Fees Strategies Committee. In the event that the Provost has submitted an academic college fee proposal to the Tuition and Fees Strategies Committee, a College Fee Committee shall be established for that academic college.*
 - a. *A College Fee Committee shall be composed of the following members:*
 1. *Either the Student Body President or the Speaker of the Student Senate who shall serve as chair and shall not have voting privileges.*

2. *The Tuition and Fees Strategies Committee representative representing the academic college who submitted the fee proposal who shall serve as vice chair and shall not have voting privileges.*
3. *At least half of the respective College Caucus members whose academic college submitted the fee proposal and shall have voting privileges.*
4. *A group of college leaders that numbers three more than the number of College Caucus members in that academic college who shall have voting privileges and shall include the following:*
 - b. *Student(s) from the College Council or equivalent ambassador group.*
 - c. *Student(s) from multicultural student organization(s).*
 - d. *At least one student from each of the following groups: freshman, sophomore, junior, senior, and graduate students.*
 - e. *Remaining students at-large.*
 1. *Members of a College Fee Committee shall be chosen by the Student Body President and the Speaker of the Student Senate.*
 - f. *Each College Dean shall present the fee proposal to the College Fee Committee and answer student questions.*
 - g. *Each College Dean shall organize an open student forum for students within the fee-presenting college to provide an opportunity for feedback on the proposed fee.*
 - h. *The College Fee Committee shall evaluate the merits of the college fee proposal and shall vote on an official recommendation to be sent to the University President and Provost.*
 - i. *Upon passage by the College Fee Committee, the academic college fee proposal shall be reviewed by the Tuition and Fees Strategies Committee, who will vote to accept or deny the fee proposal. The Tuition and Fees Strategies Committee shall only evaluate if the appropriate processes were followed correctly as outlined in Article IV Section 12 (A.6.) of the KSU SGA By-Laws.*
 - j. *Upon voting by the Tuition and Fees Strategies Committee, the Student Body President and Speaker of the Student Senate shall send the college fee proposal to the University President and Provost with an official recommendation by the Tuition and Fees Strategies Committee.*

SECTION 2. This legislation shall take effect upon passage by the Student Senate and signature of the Student Body President.

15
16 **WHEREAS,** Menstrual products are a basic necessity that a large amount of students use in their daily

19 **WHEREAS,** The lack of access to menstrual products can hinder the success and well-being of

26 **WHEREAS,** Kansas State University Student Governing Association (KSU SGA) has previously

9 **WHEREAS,** Kansas State University Student Governing Association (KSU SGA) is charged with
10 allocating the Student Services Fee;11
12 **WHEREAS,** The Student Services Fee currently has a budget of about \$14.4 million that goes to
13 various student services entities across campus;14
15 **WHEREAS,** Due to multiple years of enrollment decline and the Covid-19 Pandemic, there have been
16 insufficient collections of Student Services Fee revenue compared to the Student Services
17 Fee budget, resulting in substantial budget deficits;18
19 **WHEREAS,** In Fiscal Year (FY) 2021, the Student Services Fee faced a budget deficit of about \$4
20 million;21
22 **WHEREAS,** The 2020-2021 Student Services Fee Committee decreased the overall Student Services
23 Fee budget by about \$305,000;24
25 **WHEREAS,** After Fiscal Year 2021, Kansas State University changed how the Student Services Fee
26 was assessed due to an increase in online classes;27
28 **WHEREAS,** In FY 2022, the Student Services Fee faced a budget deficit of about \$2 million;29
30 **WHEREAS,** The 2021-2022 Student Services Fee Committee decreased the overall Student Services
31 Fee budget by about \$1.36 million;32
33 **WHEREAS,** Based on current enrollment projections, if the Student Services Fee were to remain at a
34 \$465.48 rate, a significant budget deficit requiring mid-year budget callbacks through
35 KSU SGA's insufficient funds process is very likely;36
37 **WHEREAS,** On Wednesday, April 27, 2022, the Student Services Fee Committee Chair, Student Body
38 President, and Speaker of the Student Senate met with university administration to
39 discuss the current state of the Student Services Fee budget;40
41 **WHEREAS,** The Student Services Fee Committee Chair, Student Body President, Speaker of the
42 Student Senate, and university administration mutually agreed to present to the Kansas
43 Board of Regents (KBOR) a 3% Student Services Fee rate increase, bringing the rate of
44 the Student Services Fee to \$479.44;45
46 **WHEREAS,** Based on current enrollment projections, a 3% increase to the Student Services Fee rate
47 will likely result in about \$392,000 in additional revenue, which makes the possibility of
48 mid-year budget callbacks through KSU SGA's insufficient funds process very unlikely;49
50 **WHEREAS,** In order to become budget neutral, the Student Services Fee will need reductions in the
51 overall budget as well as increases in the rate of the fee;

53 **WHEREAS,** Increasing the rate of the Student Services Fee not only helps the Student Services Fee
54 become budget neutral, but allows the Student Services Fee Committee to begin
55 reinvesting resources into Student Services on campus;
56

57 **WHEREAS,** KSU SGA is committed to enhancing the student experience at Kansas State University
58 for all students;
59

60 **WHEREAS,** A 3% Student Services Fee rate increase substantially increases the benefit that Students
61 will receive from their Student Services Fee; and
62

63 **WHEREAS,** The Student Services Fee Committee voted 7-0-0 to recommend that Student Senate pass
64 this resolution.
65

66 **BE IT RESOLVED THAT:**
67

68 **SECTION 1.** The Kansas State University Student Governing Association Student Senate officially
69 recommends that Kansas State University propose a 3% increase of the Student Services
70 Fee rate to the Kansas Board of Regents.
71

72 **SECTION 2.** Upon passage by the Student Senate, a copy of this resolution shall be sent to Student
73 Services Fee Committee advisor Jen Owensby, Division of Financial Services Assistant
74 Vice President Fran Willbrant, Chief Financial Officer and Interim Vice President and
75 Chief Operating Officer Ethan Erickson, Vice President for Student Life and Dean of
76 Students Dr. Thomas Lane, and University President Richard Linton.

RESOLUTION 22/23/25

**APPEAL TO CAMPUS EMPLOYERS
REGARDING STUDENT WAGES**

AUTHORS: Nick Saia

SPONSORS: Evan Porter

WHEREAS, Job opportunities for Kansas State University (KSU) students with campus entities—that is, campus jobs—serve a vital function in the day-to-day operation of KSU and provide experience and time commitment requirements optimally tailored to the student environment;

WHEREAS, Difficulty to fill such positions is a well-recognized problem across KSU’s campus;

WHEREAS, Despite their convenience, such positions are infamous for hourly compensation rates that are far below those for comparable positions in the region;

WHEREAS, Alternative explanations for the student staff shortage, such as a broader apathy toward work, are largely unsubstantiated;

WHEREAS, KSU and affiliates, such as Powercat Financial and the KSU Foundation, offer wages more appropriate for the region; and

WHEREAS, Broader economic conditions have accelerated the challenge of keeping pace with the cost-of-living for low-wage earners.

BE IT RESOLVED THAT:

SECTION 1. In the opinion of the Kansas State University (KSU) Student Governing Association, all campus entities that employ students should be obligated to (A) increase their student compensation rates to regionally competitive levels and (B) adopt public plans that outline long-term cost-of-living increases to base compensation rates.

SECTION 2. To the extent possible, the Student Services Fee Standing Committee should encourage and incentivize the entities under its purview to improve the wages of their student employees.

SECTION 3. Upon passage by the Student Senate and signature of the Student Body President, a copy of this resolution shall be sent to the Deans of KSU’s Academic Colleges, Dean of K-State Libraries Dr. Joe Mocnik, Director of Recreational Services Clint Hafliger, Director of the KSU Student Union Corey Williamson, President and CEO of the K-State Alumni Association Amy Button-Renz, Executive Director of Recruitment and Admissions Tammy Byland, Associate Vice President for Facilities Casey Lauer, Chief Information Officer Dr. Gary Pratt, Director of Housing and Dining Services and Associate Vice President for Student Life Dr. Derek Jackson, Vice-Provost for Student Success Dr. Jeannie Brown Leonard, Vice President for Student Life and Dean of Students Dr. Thomas Lane, and University President Dr. Richard H. 47 This agreement, made this 29th day of September 2022 between the Kansas State
48 University Student Governing Association (KSU SGA) and Student Legal Services
49 (DEPARTMENT), shall supersede any previous agreement made by KSU SGA with the
50 DEPARTMENT regarding funding of budget and use of such funding.

- 51
-
- 52 1. The annual DEPARTMENT Student Services fee budget (BUDGET) shall be funded
-
- 53 at the following level for the following fiscal years: \$113,352 for July 1, 2023, through

June 30, 2024; \$113,352 for July 1, 2024, through June 30, 2025; \$113,352 for July 1, 2025, through June 30, 2026. All uses of DEPARTMENT Student Services Fees must be in compliance with Chapter 30 of the Kansas State University Student Governing Association Statutes. The BUDGET will be reviewed prior to academic year 2026-2027.

2. The funding of BUDGET is contingent upon sufficient collections of campus student services fees in the prior or current fiscal year and approval of the Kansas Board of Regents (KBOR). In the instance of insufficient collections or disapproval by KBOR, the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair will jointly notify DEPARTMENT of overall budget shortfall. DEPARTMENT will have 10 business days to submit an impact statement describing the implications of revenue changes at the discretion of the Student Body President, Speaker of the Student Senate, and the Student Services Fee Committee Chair. The impact statements shall be vetted by the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair and sent to the Student Services Fee Committee for review. Adjustments to BUDGET will be presented in a bill to be voted upon by KSU SGA.
3. In the event that the attorney's salary is adjusted by 5% or more throughout the duration of the contract, KSU SGA reserves the right to make adjustments to BUDGET to be presented in a bill to be voted upon by KSU SGA.
4. If these monies are not spent during the fiscal year in which they are allocated, any remaining monies in the account shall carry over into the next fiscal year.
5. This agreement supersedes any previous agreement made by KSU SGA with DEPARTMENT regarding funding of budgets and use of such funding.
6. Any breach of this agreement by the DEPARTMENT will result in automatic review by KSU SGA and such review could result in decrease or termination of funding of the BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.
7. Within 60 days of the end of the fiscal year, the Adviser of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Student Services Fee Chair for review by KSU SGA.
8. No construction of or renovation of a building or facility at K-State is permitted with Student Services fees unless the fee was established by a binding referendum vote of the student body (KSU SGA Constitution Article V, Section 508, Letter C and Article XI, Section 1105).
9. The agreement shall be governed by and subject to the laws of the State of Kansas.
10. By signing this agreement, the representatives of the respective parties hereby represent that each is duly authorized by his or her party to execute this document on behalf of such party and that the party agrees to be bound by the provisions of the agreement.

18 **WHEREAS,** The Tuition and Fees Task Force recommended that in future fiscal years, the Student

27 **WHEREAS,** This exemption is no longer necessary, as students in online-only programs not residing

24-02 Rules for Diversity Programming Fund Allocations

- 24-0201 Use of Diversity Programming funds is limited to the following purposes:
- A. Projects sponsored primarily by student organizations in good standing with the university and registered with the Center for Student Involvement (CSI) and are eligible to receive funding from the Kansas State University Student Governing Association (KSU SGA).
 - B. Projects with educational value that are intended to provide cross-cultural learning experiences or education on the topics of diversity, inclusion, or discrimination based on race, ethnicity, religion, gender, disability, sexual orientation, socioeconomic status, geographic location, or age.
 - C. Projects held on campus and hosted primarily for Kansas State University students, with priority extended to projects held on campus; no traveling or conference expenditures will be funded.
 - D. Projects free and open to all Kansas State University students.
- 24-0202 Organizations interested in hosting projects that adhere to the stipulations outlined in Section 21-0102 of the Kansas State University Student Governing Association (KSU SGA) Statutes shall:
- A. Submit their project proposals to DEI before requesting funding for any other KSU SGA source.
 - B. Only apply for funding from another KSU SGA source after missing DEI 50 day deadline or DEI does not choose to fund the project.
 - C. Be prohibited from using other KSU SGA funds to supplement or replace allocations from DEI.
- 24-0203 Funds requested for a project must be divided into separate categories, as outlined below. Each category must have a detailed description of the items requested and estimate of the cost of each item.
- A. Promotions. Promotions shall include any expense related to the advertisement of an activity, such as Collegian advertisements, KSDB or any radio advertisements, leaflets or posters, and other such materials as determined by the Diversity, Equity, and Inclusion Committee.
 - B. Lecturer, Speaker, or Entertainer Fee (LSE Fees). LSE Fees shall include any funds requested by an organization in order to bring a speaker to campus, including their travel, lodging costs, food, and fee to perform a planned project or event.
 - C. Rent of Space and Equipment. Rent of space and equipment shall include any expenses related to renting rooms or other areas for performances, and other such events, as well as any costs related to rental of tables and chairs, movie projectors, or other necessary materials for a project.
 - D. Films. Films shall include any expense for the rental of movies, documentaries, recorded theatrical shows, or other such events.
 - E. Food. Food shall include ingredients or pre-packaged food items whose primary purpose is to add to the intercultural learning experience of the event, as determined by the Diversity, Equity, and Inclusion Committee.
 - F. Other. This category shall include any expenses for items that do not reasonably fit in the above categories, as determined necessary by the Diversity, Equity, and Inclusion Committee. However, this category shall be subject to the limitation on funding, listed below:
 - 1. Social Events. Student activity funds may not be spent on any materials pertaining to social functions, parties, or banquets, except when the Diversity, Equity, and Inclusion Committee finds a substantial educational benefit.

2. Personal Materials. Student activity funds may not be spent on any personal materials, such as plaques, gifts, awards, flowers, nametags, engravings for specific individuals, photographs, or clothing.
3. Wages. Student activity funds may not be spent on wages or compensation of any kind, with the exception of projectionists and security officers as required by a rental facility.
4. Recruitment. Student activity funds may not be spent on any trips or events in which recruitment is the sole purpose, except when the Diversity, Equity, and Inclusion Committee finds a substantial educational benefit to the Kansas State University students making the request.

24-0204 In special circumstances, should a student organization wish to substitute a lecturer, speaker and/or entertainer, the student organization must consult with the DEI Chair, who will make a decision in consultation with the Student Services Fee Committee Chair; and, if the event in question takes place before the next scheduled DEI funding meeting, members of the DEI committee whether or not to allow the substitution. Substituted lecturers, speakers and/or entertainers should meet all Diversity Programming funding criteria and should be at least of similar quality and draw a similar number of students. No additional funds may be allocated to the substituted event. If the DEI Chair decides not to allow an event substitution and the original event must be cancelled, then funds will be carried forward to use for the next group of requests. Unused funds, other than the circumstance mentioned above, will revert back to the Diversity Programming reserve at the end of each fiscal year.

24-0205 DEI shall seek proposals for funding from all student organizations on campus and conduct meetings at which applicants may verbalize their requests and field any questions from the committee.

24-03 *Appeal and Reconsideration of Diversity Programming DPC Decisions*

24-0301 The Diversity, Equity, and Inclusion Committee shall have sole jurisdiction for the purposes of appeal and reconsideration by committee of any requests initially heard by the committee.

24-0302 The Diversity, Equity, and Inclusion Committee will reconsider a funding request if any of the following are alleged to have occurred:

- A. The Committee failed to provide a fundamentally fair process including, but not limited to, defective notice and failure to follow written procedures and rules as outlined in the KSU SGA Statutes.
- B. The committee reached a decision in an unjust manner, including, but not limited to, the presence of bias, unreasonable, arbitrary, or capricious action, and discrimination on the basis of race, religion, color, sex, physical ability, national origin, sexual orientation, ancestry, or any Kansas Board of Regents protected category.
- C. The organization has new information that may affect the committee's decision on the request. This new information must pertain to the original request and must not have been available at the time of the original request.

24-0303 If an organization is dissatisfied with their recommended allocation and they meet at least one of the above-mentioned circumstances, the organization may take the following action for reconsideration of their request:

- A. The organization files a completed reconsideration form in the Center for Student Involvement to the Speaker of the Student Senate within 72 hours (weekends excluded) of receiving notification of recommended allocation amount.
- B. If the organization completes the reconsideration form in the allotted time frame, the committee, in conjunction with the Speaker of the Student Senate, will hear the organization's reconsideration request at the next available committee meeting.
- C. After the organization's reconsideration request is heard, the committee will vote on the request. The decision voted on by the committee members will be final. No further reconsideration on the request will be heard.

53 **SECTION 1.** The Kansas State University Student Governing Association (KSU SGA) approves the
54 following Student Services Fee Budget Agreement. This Student Services Fee budget

agreement shall be included in and/or replace the appropriate chapter of the KSU SGA Statutes.

Center for Student Involvement Budget Agreement

This agreement, made this 27th day of October 2022 between the Kansas State University Student Governing Association (KSU SGA) and the Center for Student Involvement (DEPARTMENT), shall supersede any previous agreement made by KSU SGA with the DEPARTMENT regarding funding of budget and use of such funding.

1. The annual DEPARTMENT Student Services Fee budget (BUDGET) shall be funded at the following level for the following fiscal years: \$321,084 for July 1, 2023, through June 30, 2024; \$321,084 for July 1, 2024, through June 30, 2025; \$321,084 for July 1, 2025, through June 30, 2026. All uses of DEPARTMENT Student Services Fees must be in compliance with Chapter 30 of the Kansas State University Student Governing Association Statutes. The BUDGET will be reviewed prior to academic year 2026-2027.
2. The funding of BUDGET is contingent upon sufficient collections of campus student services fees in the prior or current fiscal year and approval of the Kansas Board of Regents (KBOR). In the instance of insufficient collections or disapproval by KBOR, the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair will jointly notify DEPARTMENT of overall budget shortfall. DEPARTMENT will have 10 business days to submit an impact statement describing the implications of revenue changes at the discretion of the Student Body President, Speaker of the Student Senate, and the Student Services Fee Committee Chair. The impact statements shall be vetted by the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair and sent to the Student Services Fee Committee for review. Adjustments to BUDGET will be presented in a bill to be voted upon by KSU SGA.
3. Week of Welcome
 - a. The Center for Student Involvement will provide funding for Week of Welcome activities throughout the duration of this contract.
 - b. A majority vote of the Student Services Fee Committee, or the Student Body President, Speaker of the Student Senate, and Student Services Fee Committee Chair when the Student Services Fee Committee is not regularly scheduled to meet, is required to make substantial changes to the Week of Welcome program.
4. The monies allocated for the Week of Welcome may be utilized for other DEPARTMENT operations, with approval by the Student Services Fee Committee, if deemed necessary by the Center for Student Involvement Executive Director.
5. If it is determined, by a majority vote of the Student Services Fee Committee that the workload of DEPARTMENT has changed substantially as a result of student organization policy changes, KSU SGA reserves the right to review the funding of BUDGET.
6. This agreement supersedes any previous agreement made by KSU SGA with DEPARTMENT regarding funding of budgets and use of such funding.
7. Any breach of this agreement by the DEPARTMENT will result in automatic review by KSU SGA and such review could result in decrease or termination of funding of the BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall

not constitute a waiver of such rights in that instance or in any other instance.

8. Within 60 days of the end of the fiscal year, the Adviser of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Student Services Fee Chair for review by KSU SGA.
9. No construction of or renovation of a building or facility at K-State is permitted with Student Services Fees unless the fee was established by a binding referendum vote of the student body (KSUSGA Constitution Article V, Section 509, Letter C and Article XI, Section 1105).
10. The agreement shall be governed by and subject to the laws of the State of Kansas.

By signing this agreement, the representatives of the respective parties hereby represent that each is duly authorized by his or her party to execute this document on behalf of such party and that the party agrees to be bound by the provisions of the agreement.

SECTION 2. Bill 22/23/47 becomes effective upon execution of this agreement by the Student Services Fee Committee Chair, the Speaker of the Student Senate, the Student Body President, the Executive Director of the Center for Student Involvement, the Vice President for Administration and Finance, and the Vice President for Student Life.

14 (KSU SGA);

15
16 **WHEREAS,** The Joint Committee has met, studied, and examined the salaries of student officers of
17 the KSU SGA and has issued a recommendation based on their findings;

18
19 **WHEREAS,** Their report is issued every three years and recommends the salaries for the KSU SGA

24
25 **WHEREAS,** The “number of legislated duties and unlegislated duties” was the main reason for
26 increasing the Attorney General’s compensation, but the rationale further states that
27 “powers and duties of the Attorney General are limited in number”;

28
29 **WHEREAS,** Measuring the number of legislated responsibilities is not an adequate way to determine

31
32 **WHEREAS,** The Attorney General’s legislated duties have not changed since the creation of the

39
40 **SECTION 1.** The Kansas State University Student Governing Association (KSU SGA) disapproves of
41 the set of salary recommendations of the Joint Committee on Officer Compensation.

42
43 **SECTION 2.** The KSU SGA enumerates the following reasons for their disapproval:

- 44 1. The rationale for increasing the Attorney General’s compensation contains
45 inconsistent rationales that were not considered for other compensated
46 positions
 - 47 2. The rationale for increasing the Attorney General’s compensation contradicts
48 itself
 - 49 3. Measuring the number of legislated responsibilities is not an adequate way to
50 determine compensation
 - 51 4. The Joint Committee fails to establish what legislated duties justify an
52 increase in compensation.
- 53

- 54 **SECTION 3.** The KSU SGA recommends the following actions be taken by the joint committee in
55 their review:
- 56 1. The Joint Committee revise its rationale and/or compensation for the
57 Attorney General based on consistent and concurrent logic
 - 58 2. The Joint Committee should present what responsibilities justify
59 compensation outside of the number of legislated responsibilities
60
- 61 **SECTION 4.** Upon passage by the Student Senate and signature of the Student Body President, this

 33 **WHEREAS,** The rationale for deciding which individuals received the survey was inconsistent;

34
 35 **WHEREAS,** The Joint Committee, therefore, did not receive adequate information about the duties of
 36 those individuals who were excluded from the survey;

37
 38 **WHEREAS,** The survey's questions were not consistent for all recipients;

39
 40 **WHEREAS,** The open-ended nature of the questions limited objective analysis;

41
 42 **WHEREAS,** The Joint Committee enumerated inconsistent rationale for changes in different officers'
 43 compensation levels;

44
 45 **WHEREAS,** The Joint Committee did not alter the compensation for some committee chairs whose
 46 positions were "newly created or revised," but inconsistently recommended a change in
 47 compensation for other committee chairs to reflect new revisions to their positions;

48
 49 **WHEREAS,** Discrepant paradigms resulted in contradictory statements which list some positions as
 50 receiving compensation levels based only on legislated duties, while others were changed
 51 based upon non-legislated work; and

52
 53 **WHEREAS,** The Joint Committee report did not independently explain their reasoning for all position
 54 decisions, such as those identified in points 6 and 8 of the report.

55
56 **BE IT ENACTED THAT:**
57

58 **SECTION 1.** The Kansas State University Student Governing Association (KSU SGA) disapproves of
59 the set of salary recommendations of the Joint Committee on Officers' Compensation
60 (Joint Committee);
61

62 **SECTION 2.** The KSU SGA enumerates the following reasons for their disapproval:
63 1. The survey used by the Joint Committee to help determine compensation was
64 not sent to all relevant parties, and the results did not properly inform their
65 decisions for officer compensation.
66 2. The survey questions and data analysis were inconsistent and flawed.
67 3. The Joint Committee did not apply consistent logic to rationalize their
68 compensation recommendations.
69

70 **SECTION 3.** The KSU SGA recommends the following actions be taken by the joint committee in
71 their review:
72 1. The survey used to gather perspectives on non-legislated work should be sent
73 to all KSU SGA Officers and all recent ex-officers.
74 2. The survey questions should be revised to remain consistent for all recipients
75 and allow for a more objective analysis of given answers.
76 3. The Joint Committee should apply consistent rationale to decisions involving
77 increases or decreases of all officers' compensation.
78

79 **SECTION 4.** Upon passage by the Student Senate and signature of the Student Body President, this
80 recommendation will be sent to the Joint Committee on Officers' Compensation.

10
11 **WHEREAS,** It is the responsibility of the Joint Committee on Officers' Compensation (Joint
12 Committee) to make a report and recommendation to Student Senate concerning the
13 salaries of student officers of the Kansas State University Student Governing Association
14 (KSU SGA);

15
16 **WHEREAS,** The Joint Committee has met, studied, and examined the salaries of student officers of
17 the KSU SGA and has issued a recommendation based on their findings;

18
19 **WHEREAS,** Their report, issued once every three years, recommends the salaries for the KSU SGA
20 Officers for the following three years;

21
22 **WHEREAS,** The Fall 2022 Joint Committee was the first regularly scheduled Joint Committee to
23 assess the compensation of the SOC Chair, a position established for the 2022-2023 and
24 following terms by Bill 21/22/61;

25
26 **WHEREAS,** The existing compensation rate for the SOC Chair—5% of their tuition cost—was set by
27 a special session of the Joint Committee on Officer Compensation (Special Committee);

28
29 **WHEREAS,** The Special Committee determined that this rate of compensation was appropriate for the
30 first year of the SOC's operation given the lack of (A) legislated responsibilities and (B)
31 knowledge regarding time demands on the Chair;

32
33 **WHEREAS,** In its first year, additional responsibilities of the SOC Chair necessary for effective
34 execution of SOC's mission have been uncovered;

35
36 **WHEREAS,** These responsibilities have been codified by the 2022-2023 SOC Chair in draft
37 legislation;

38
39 **WHEREAS,** This draft legislation was offered to the Joint Committee for the benefit of their analysis;
40 and

41
42 **WHEREAS,** The Joint Committee did not consider the draft legislation.

43
44 **BE IT ENACTED THAT:**

45
46 **SECTION 1.** The Kansas State University Student Governing Association (KSU SGA) disapproves of
47 the set of salary recommendations of the Joint Committee on Officers' Compensation
48 (Joint Committee).

49
50 **SECTION 2.** The KSU SGA enumerates the following reasons for their disapproval:

- 51
52 1. Officers of the Student Senate should be compensated for time commitments
53 necessary to effective operations;
54

2. In its first year, the SOC was bound to discover a significant number of unwritten time commitments for its Chair; and
3. To the extent that these time commitments are concretely described, they should stand as legitimate in the eyes of the Joint Committee.

SECTION 3. The KSU SGA recommends the following actions be taken by the Joint Committee in their review:

1. The Joint Committee should—in their analysis of legislated responsibilities of officer positions—consider the responsibilities of the Strategic Oversight Committee Chair as presented in the draft legislation.

SECTION 4. Upon passage by the Student Senate and signature of the Student Body President, this recommendation will be sent to the Joint Committee on Officer Compensation.

2 **DISAPPROVAL OF THE JOINT COMMITTEE**

10
11 **WHEREAS,** It is the responsibility of the Joint Committee on Officers' Compensation (Joint
12 Committee) to make a report and recommendation to Student Senate concerning the
13 salaries of student officers of the Kansas State University Student Governing Association
14 (KSU SGA);

15
16 **WHEREAS,** The Joint Committee has met, studied, and examined the salaries of student officers of
17 the KSU SGA and has issued a recommendation based on their findings;

18
19 **WHEREAS,** Their report, issued once every three years, recommends the salaries for the KSU SGA
20 Officers for the following three years;

21
22 **WHEREAS,** The Joint Committee identified that the Student Services Fee (SSF) Chair "absorbed
23 many of the responsibilities of the Treasurer";

24
25 **WHEREAS,** The Joint Committee determined that unique circumstances or individuals, which vary
26 year to year, do not justify changes in compensation; and

27
28 **WHEREAS,** The Joint Committee proposed that the SSF Chair receive an increase in compensation—
29 from 35% of tuition cost to 40% of tuition cost.

30
31 **BE IT ENACTED THAT:**

32
33 **SECTION 1.** The Kansas State University Student Governing Association (KSU SGA) disapproves of
34 the set of salary recommendations of the Joint Committee on Officer Compensation
35 (Joint Committee).

36
37 **SECTION 2.** The KSU SGA enumerates the following reasons for their disapproval:

- 38
39 1. The dissolution of the Treasurer by Bills 21/22/61 and 21/22/87 placed most
40 of the Treasurer's responsibilities with the Speaker pro tempore, the Chair of
41 the Tuition Enhancements Committee, and the Chair of the Student
42 Allocations Committee; and
43
44 2. Unique financial circumstances that can increase the workload of the Student
45 Services Fee (SSF) Chair are, on their own, not justification for a
46 compensation increase.

47
48 **SECTION 3.** The KSU SGA recommends the following actions be taken by the Joint Committee in
49 their review:

- 50
51 1. The Joint Committee should not increase the compensation of the SSF Chair.

52
53 **SECTION 4.** Upon passage by the Student Senate and signature of the Student Body President, this
54 recommendation will be sent to the Joint Committee on Officers' Compensation.

2 **DISAPPROVAL OF THE JOINT COMMITTEE**

10
11 **WHEREAS,** It is the responsibility of the Joint Committee on Officers' Compensation (Joint
12 Committee) to make a report and recommendation to Student Senate concerning the
13 salaries of student officers of the Kansas State University Student Governing Association
14 (KSU SGA);

15
16 **WHEREAS,** The Joint Committee has met, studied, and examined the salaries of student officers of
17 the KSU SGA and has issued a recommendation based on their findings;

18
19 **WHEREAS,** Their report, issued once every three years, recommends the salaries for the KSU SGA
20 Officers for the following three years;

21
22 **WHEREAS,** The Joint Committee identified that the Student Body Vice President (VP) has "a
23 decreasing number of duties due to an increase in the delegation to the Chief of Staff";
24 and

25
26 **WHEREAS,** The Joint Committee proposed that the VP receive a decrease in compensation—from
27 55% of tuition cost to 50% of tuition cost.

28
29 **BE IT ENACTED THAT:**

30
31 **SECTION 1.** The Kansas State University Student Governing Association (KSU SGA) disapproves of
32 the set of salary recommendations of the Joint Committee on Officers' Compensation
33 (Joint Committee).
34

35 **SECTION 2.** The KSU SGA enumerates the following reasons for their disapproval:

- 36
37 1. If the Student Body Vice President's delegated responsibilities constitute a
38 compensation-worthy time commitment, the delegate of those
39 responsibilities should receive a corollary compensation increase.
40

41 **SECTION 3.** The KSU SGA recommends the following actions be taken by the Joint Committee in
42 their review:
43

- 44 1. The Joint Committee should increase the compensation of positions that have
45 assumed responsibilities of other positions—to the extent that shifts in
46 responsibilities have warranted a decrease in compensation for the latter.
47

48 **SECTION 4.** Upon passage by the Student Senate and signature of the Student Body President, this
49 recommendation will be sent to the Joint Committee on Officers' Compensation.

24-02 Rules for Diversity Programming Fund Allocations

- 24-0201 Use of Diversity Programming funds is limited to the following purposes:
- A. Projects sponsored primarily by student organizations in good standing with the university and registered with the Center for Student Involvement (CSI) and are eligible to receive funding from the Kansas State University Student Governing Association (KSU SGA).
 - B. Projects with educational value that are intended to provide cross-cultural learning experiences or education on the topics of diversity, inclusion, or discrimination based on race, ethnicity, religion, gender, disability, sexual orientation, socioeconomic status, geographic location, or age.
 - C. Projects held on campus and hosted primarily for Kansas State University students, with priority extended to projects held on campus; no traveling or conference expenditures will be funded.
 - D. Projects free and open to all Kansas State University students.
- 24-0202 Organizations interested in hosting projects that adhere to the stipulations outlined in Section 21-0102 of the Kansas State University Student Governing Association (KSU SGA) Statutes shall:
- A. Submit their project proposals to DEI before requesting funding for any other KSU SGA source.
 - B. Only apply for funding from another KSU SGA source after missing DEI 50 day deadline or DEI does not choose to fund the project.
 - C. Be prohibited from using other KSU SGA funds to supplement or replace allocations from DEI.
- 24-0203 Funds requested for a project must be divided into separate categories, as outlined below. Each category must have a detailed description of the items requested and estimate of the cost of each item.
- A. Promotions. Promotions shall include any expense related to the advertisement of an activity, such as Collegian advertisements, KSDB or any radio advertisements, leaflets or posters, and other such materials as determined by the Diversity, Equity, and Inclusion Committee.
 - B. Lecturer, Speaker, or Entertainer Fee (LSE Fees). LSE Fees shall include any funds requested by an organization in order to bring a speaker to campus, including their travel, lodging costs, food, and fee to perform a planned project or event.
 - C. Rent of Space and Equipment. Rent of space and equipment shall include any expenses related to renting rooms or other areas for performances, and other such events, as well as any costs related to rental of tables and chairs, movie projectors, or other necessary materials for a project.
 - D. Films. Films shall include any expense for the rental of movies, documentaries, recorded theatrical shows, or other such events.
 - E. Food. Food shall include ingredients or pre-packaged food items whose primary purpose is to add to the intercultural learning experience of the event, as determined by the Diversity, Equity, and Inclusion Committee.
 - F. Other. This category shall include any expenses for items that do not reasonably fit in the above categories, as determined necessary by the Diversity, Equity, and Inclusion Committee. However, this category shall be subject to the limitation on funding, listed below:
 - 1. Social Events. Student activity funds may not be spent on any materials pertaining to social functions, parties, or banquets, except when the Diversity, Equity, and Inclusion Committee finds a substantial educational benefit.

2. Personal Materials. Student activity funds may not be spent on any personal materials, such as plaques, gifts, awards, flowers, nametags, engravings for specific individuals, photographs, or clothing.
3. Wages. Student activity funds may not be spent on wages or compensation of any kind, with the exception of projectionists and security officers as required by a rental facility.
4. Recruitment. Student activity funds may not be spent on any trips or events in which recruitment is the sole purpose, except when the Diversity, Equity, and Inclusion Committee finds a substantial educational benefit to the Kansas State University students making the request.

24-0204 In special circumstances, should a student organization wish to substitute a lecturer, speaker and/or entertainer, the student organization must consult with the DEI Chair, who will make a decision in consultation with the Student Services Fee Committee Chair; and, if the event in question takes place before the next scheduled DEI funding meeting, members of the DEI committee whether or not to allow the substitution. Substituted lecturers, speakers and/or entertainers should meet all Diversity Programming funding criteria and should be at least of similar quality and draw a similar number of students. No additional funds may be allocated to the substituted event. If the DEI Chair decides not to allow an event substitution and the original event must be cancelled, then funds will be carried forward to use for the next group of requests. Unused funds, other than the circumstance mentioned above, will revert back to the Diversity Programming reserve at the end of each fiscal year.

24-0205 DEI shall seek proposals for funding from all student organizations on campus and conduct meetings at which applicants may verbalize their requests and field any questions from the committee.

24-03 *Appeal and Reconsideration of Diversity Programming DPC Decisions*

24-0301 The Diversity, Equity, and Inclusion Committee shall have sole jurisdiction for the purposes of appeal and reconsideration by committee of any requests initially heard by the committee.

24-0302 The Diversity, Equity, and Inclusion Committee will reconsider a funding request if any of the following are alleged to have occurred:

- A. The Committee failed to provide a fundamentally fair process including, but not limited to, defective notice and failure to follow written procedures and rules as outlined in the KSU SGA Statutes.
- B. The committee reached a decision in an unjust manner, including, but not limited to, the presence of bias, unreasonable, arbitrary, or capricious action, and discrimination on the basis of race, religion, color, sex, physical ability, national origin, sexual orientation, ancestry, or any Kansas Board of Regents protected category.

53 **SECTION 1.** The Kansas State University Student Governing Association (KSU SGA) approves the
54 following Student Services Fee Budget Agreement. This Student Services Fee budget

agreement shall be included in and/or replace the appropriate chapter of the KSU SGA Statutes.

Center for Student Involvement Budget Agreement

This agreement, made this 27th day of October 2022 between the Kansas State University Student Governing Association (KSU SGA) and the Center for Student Involvement (DEPARTMENT), shall supersede any previous agreement made by KSU SGA with the DEPARTMENT regarding funding of budget and use of such funding.

1. The annual DEPARTMENT Student Services Fee budget (BUDGET) shall be funded at the following level for the following fiscal years: \$321,084 for July 1, 2023, through June 30, 2024; \$321,084 for July 1, 2024, through June 30, 2025; \$321,084 for July 1, 2025, through June 30, 2026. All uses of DEPARTMENT Student Services Fees must be in compliance with Chapter 30 of the Kansas State University Student Governing Association Statutes. The BUDGET will be reviewed prior to academic year 2026-2027.
2. The funding of BUDGET is contingent upon sufficient collections of campus student services fees in the prior or current fiscal year and approval of the Kansas Board of Regents (KBOR). In the instance of insufficient collections or disapproval by KBOR, the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair will jointly notify DEPARTMENT of overall budget shortfall. DEPARTMENT will have 10 business days to submit an impact statement describing the implications of revenue changes at the discretion of the Student Body President, Speaker of the Student Senate, and the Student Services Fee Committee Chair. The impact statements shall be vetted by the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair and sent to the Student Services Fee Committee for review. Adjustments to BUDGET will be presented in a bill to be voted upon by KSU SGA.
3. Week of Welcome
 - a. The Center for Student Involvement will provide funding for Week of Welcome activities throughout the duration of this contract.
 - b. A majority vote of the Student Services Fee Committee, or the Student Body President, Speaker of the Student Senate, and Student Services Fee Committee Chair when the Student Services Fee Committee is not regularly scheduled to meet, is required to make substantial changes to the Week of Welcome program.
4. The monies allocated for the Week of Welcome may be utilized for other DEPARTMENT operations, with approval by the Student Services Fee Committee, if deemed necessary by the Center for Student Involvement Executive Director.
5. If it is determined, by a majority vote of the Student Services Fee Committee that the workload of DEPARTMENT has changed substantially as a result of student organization policy changes, KSU SGA reserves the right to review the funding of BUDGET.
6. This agreement supersedes any previous agreement made by KSU SGA with DEPARTMENT regarding funding of budgets and use of such funding.
7. Any breach of this agreement by the DEPARTMENT will result in automatic review by KSU SGA and such review could result in decrease or termination of funding of the BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall

not constitute a waiver of such rights in that instance or in any other instance.

8. Within 60 days of the end of the fiscal year, the Adviser of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Student Services Fee Chair for review by KSU SGA.
9. No construction of or renovation of a building or facility at K-State is permitted with Student Services Fees unless the fee was established by a binding referendum vote of the student body (KSUSGA Constitution Article V, Section 509, Letter C and Article XI, Section 1105).
10. The agreement shall be governed by and subject to the laws of the State of Kansas.

By signing this agreement, the representatives of the respective parties hereby represent that each is duly authorized by his or her party to execute this document on behalf of such party and that the party agrees to be bound by the provisions of the agreement.

SECTION 2. Bill 22/23/47 becomes effective upon execution of this agreement by the Student Services Fee Committee Chair, the Speaker of the Student Senate, the Student Body President, the Executive Director of the Center for Student Involvement, the Vice President for Administration and Finance, and the Vice President for Student Life.

SECTION 1. The Kansas State University Student Governing Association (KSU SGA) approves the following Student Services Fee Budget Agreement. This Student Services Fee budget agreement shall be included in and/or replace the appropriate chapter of the KSU SGA Statutes.

Lafene CAPS Student Services Fee Agreement

This agreement, made this 1st day of December 2022 between the Kansas State University Student Governing Association (KSU SGA) and Lafene Counseling and Psychological Services (DEPARTMENT), shall supersede any previous agreement made by KSU SGA with the DEPARTMENT regarding funding of budget and use of such funding.

1. The annual DEPARTMENT Student Services fee budget (BUDGET) shall be funded at the following amounts for the following Fiscal Year: \$943,587.00 for Fiscal Year 2024 (July 1, 2023, through June 30, 2024); and will be reviewed prior to Fiscal Year 2025.
2. The funding of BUDGET is contingent upon sufficient collections of campus student services fees in the prior or current fiscal year and approval of the Kansas Board of Regents (KBOR). In the instance of insufficient collections or disapproval by KBOR, the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair will jointly notify DEPARTMENT of overall budget shortfall. DEPARTMENT will have 10 business days to submit an impact statement describing the implications of revenue changes at the discretion of the Student Body President, Speaker of the Student Senate, and the Student Services Fee Committee Chair. The impact statements shall be vetted by the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair and sent to the Student Services Fee Committee for review. Adjustments to BUDGET will be presented in a bill to be voted upon by KSU SGA.
3. No Student Services fee funds may be used for paying the Institutional Support Fee.
4. This agreement supersedes any previous agreement made by Kansas State University Student Senate and/or Kansas State University Student Governing Association with DEPARTMENT regarding funding of BUDGET and use of such funding.
5. Any breach of this agreement by the DEPARTMENT will result in automatic review by KSU SGA and such review could result in decrease or termination of funding of the BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.
6. Within 60 days of the end of each fiscal year, the Director of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Student Services Fee Chair for review by KSU SGA.
7. No construction or renovation of a building or facility at Kansas State University is permitted with privilege fees unless the fee was established by a binding referendum vote of the student body. (KSU SGA Constitution Article V, Section 508, Letter C and Article XI, Section 1103)
8. The agreement shall be governed by and subject to the laws of the State of Kansas.
9. By signing this agreement, the representatives of the respective parties hereby represent that each is duly authorized by his or her party to execute this document on behalf of such party and that the party agrees to be bound by the provisions of the agreement.

SECTION 2. Bill 22/23/69 becomes effective upon execution of this agreement by the Student

107 Services Fee Committee Chair, the Speaker of the Student Senate, the Student Body
108 President, the Director of CAPS, the Vice President for Administration and Finance,

22
23 **WHEREAS,** There are more funds available than necessary to retain the level needed for debt service

WHEREAS, The Student Services Fee Committee is dedicated to ensuring the financial well-being of the Student Services Fee;

WHEREAS, In order to ensure the financial well-being of the Student Services Fee, decreases are necessary during this review cycle;

WHEREAS, DPF has a reserve account with a current balance of ~\$120,000;

WHEREAS, In order to supplement DPF's decrease, the Student Services Fee Committee deemed that allocating \$40,000.00 each year from the DPF reserve would help DPF continue providing a valuable service to students;

Rules for Diversity Programming Fund Allocations

24-0201

Use of Diversity Programming funds is limited to the following purposes:

- A. Projects sponsored primarily by student organizations in good standing with the university and registered with the Center for Student Involvement (CSI) and are eligible to receive funding from the Kansas State University Student Governing Association (KSU SGA).
- B. Projects with educational value that are intended to provide cross-cultural learning experiences or education on the topics of diversity, inclusion, or discrimination based on race, ethnicity, religion, gender, disability, sexual orientation, socioeconomic status, geographic location, or age.
- C. Projects held on campus and hosted primarily for Kansas State University students, with priority extended to projects held on campus; no traveling or conference expenditures will be funded.
- D. Projects free and open to all Kansas State University students.

24-0202

Organizations interested in hosting projects that adhere to the stipulations outlined in Section 21-0102 of the Kansas State University Student Governing Association (KSU SGA) Statutes shall:

- A. Submit their project proposals to DEI before requesting funding for any other KSU SGA source.
- B. Only apply for funding from another KSU SGA source after missing DEI's 50 day deadline or DEI does not choose to fund the project.
- C. Be prohibited from using other KSU SGA funds to supplement or replace allocations from DEI.

24-0203

Funds requested for a project must be divided into separate categories, as outlined below. Each category must have a detailed description of the items requested and estimate of the cost of each item.

- A. Promotions. Promotions shall include any expense related to the advertisement of an activity, such as Collegian advertisements, KSDB or any radio advertisements, leaflets or posters, and other such materials as determined by the Diversity, Equity, and Inclusion Committee.
- B. Lecturer, Speaker, or Entertainer Fee (LSE Fees). LSE Fees shall include any funds requested by an organization in order to bring a speaker to campus, including their travel, lodging costs, food, and fee to perform a planned project or event.
- C. Rent of Space and Equipment. Rent of space and equipment shall include any expenses related to renting rooms or other areas for performances, and other such events, as well as any costs related to rental of tables and chairs, movie projectors, or other necessary materials for a project.
- D. Films. Films shall include any expense for the rental of movies, documentaries, recorded theatrical shows, or other such events.
- E. Food *and drinks*. Food shall include ingredients or pre-packaged food items whose primary purpose is to add to the intercultural learning experience of the event, as

determined by the Diversity, Equity, and Inclusion Committee. *Funding for the purchase of drinks shall be permitted in instances where food is present.*

F. Other. This category shall include any expenses for items that do not reasonably fit in the above categories, as determined necessary by the Diversity, Equity, and Inclusion Committee. However, this category shall be subject to the limitation on funding, listed below:

1. Social Events. Student activity funds may not be spent on any materials pertaining to social functions, parties, or banquets, except when the Diversity, Equity, and Inclusion Committee finds a substantial educational benefit.
2. Personal Materials. Student activity funds may not be spent on any personal materials, such as plaques, gifts, awards, flowers, nametags, engravings for specific individuals, photographs, or clothing.
3. Wages. Student activity funds may not be spent on wages or compensation of any kind, with the exception of projectionists and security officers as required by a rental facility.
4. Recruitment. Student activity funds may not be spent on any trips or events in which recruitment is the sole purpose, except when the Diversity, Equity, and Inclusion Committee finds a substantial educational benefit to the Kansas State University students making the request.

24-0204 In special circumstances, should a student organization wish to substitute a lecturer, speaker and/or entertainer, the student organization must consult with the DEI Chair, who will make a decision in consultation with the Student Services Fee Committee Chair; and, if the event in question takes place before the next scheduled DEI funding meeting, members of the DEI committee whether or not to allow the substitution. Substituted lecturers, speakers and/or entertainers should meet all Diversity Programming funding criteria and should be at least of similar quality and draw a similar number of students. No additional funds may be allocated to the substituted event. If the DEI Chair decides not to allow an event substitution and the original event must be cancelled, then funds will be carried forward to use for the next group of requests. Unused funds, other than the circumstance mentioned above, will revert back to the Diversity Programming reserve at the end of each fiscal year.

24-0205 DEI shall seek proposals for funding from all student organizations on campus and conduct meetings at which applicants may verbalize their requests and field any questions from the committee.

SECTION 2. This legislation shall take effect upon passage by the Student Senate and signature of the Student Body President.

52 **Recreation Complex Maintenance Reserve Budget Agreement**

53 This agreement, made this 23rd day of February 2023, between the Kansas State University Student
54 Governing Association Student Senate (KSU SGA), and Kansas State University Recreational Services

(DEPARTMENT), shall supersede any previous agreement made by KSU SGA with the DEPARTMENT regarding funding of budget and use of such funding.

1. The annual DEPARTMENT Student Services Fee budget (BUDGET) shall be funded at the following level for the following fiscal years: \$0.00 for July 1, 2023, through June 30, 2024; \$0.00 for July 1, 2024, through June 30, 2025; \$0.00 for July 1, 2025, through June 30, 2026. All uses of DEPARTMENT Student Services Fees must be in compliance with Chapter 30 of the Kansas State University Student Governing Association Statutes. The BUDGET will be reviewed prior to academic year 2026-2027.
2. The funding of BUDGET is contingent upon sufficient collections of campus student services fees in the prior or current fiscal year and approval of the Kansas Board of Regents (KBOR). In the instance of insufficient collections or disapproval by KBOR, the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair will jointly notify DEPARTMENT of overall budget shortfall. DEPARTMENT will have 10 business days to submit an impact statement describing the implications of revenue changes at the discretion of the Student Body President, Speaker of the Student Senate, and the Student Services Fee Committee Chair. The impact statements shall be vetted by the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair and sent to the Student Services Fee Committee for review. Adjustments to BUDGET will be presented in a bill to be voted upon by KSU SGA.
3. Any use of these monies must receive approval from the Student Services Fee Committee. During a time when the Student Services Fee Committee is not regularly scheduled to meet, use of these monies may be approved through written consent of the Student Services Fee Chair and Speaker of the Student Senate. A post completion financial review of expenditures will be sent to the Student Services Fee Committee following any use of these funds. The only acceptable uses of these funds are for the DEPARTMENT and are as follows:
 - Major maintenance expenses incurred by the building including the repair and/or replacement of fixed building property, a major part or component of structure, structural equipment that are not part of normal maintenance and ordinary repairs (as defined below) of the facility. This definition also includes the removal of a major part or component of structure and the substitution of a new part or component essentially of the same type and performance capabilities. Replacing a revenue generator with a different one is not allowable through this definition.
4. Normal maintenance and ordinary repairs shall be defined as costs such as cleaning, adjustment and painting which are incurred on a continuous basis to keep operational assets in usable condition. Ordinary repairs are outlays for parts, labor and related supplies which are necessary to keep the asset in operational condition, but neither (a) add materially to the value of the asset, nor (b) prolong its life appreciably.
5. This agreement supersedes any previous agreement made by KSU SGA with DEPARTMENT regarding funding of budgets and use of such funding.
6. Any breach of this agreement by the DEPARTMENT will result in automatic review by KSU SGA and such review could result in decrease or termination of funding of the BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.

- 108
109 7. Within 60 days of the end of the fiscal year, the Adviser of the DEPARTMENT shall
110 submit a written summary of BUDGET expenditures to the Student Services Fee Chair
111 for review by KSU SGA.
112
113 8. No construction of or renovation of a building or facility at K-State is permitted with
114 student services fees unless the fee was established by a binding referendum vote of
115 the student body (KSU SGA Constitution Article V, Section 509, Letter C and Article
116 XI, Section 1105).
117
118 9. The agreement shall be governed by and subject to the laws of the State of Kansas.

13 the Diversity Programming Fund, Campus Organizations, Multicultural Student
14 Organizations, Open House, Sports Clubs, and Academic Competition Teams funding;

15
16 **WHEREAS,** The Student Activity Fee currently provides funding to two institutional services, the
17 Center for Advocacy, Response, Education (CARE) Office and the UFM Community
18 Learning Center;

19
20 **WHEREAS,** The Student Activity Fee provides funding for graduate students to present research at
21 conferences through the Graduate Student Council;

22
23 **WHEREAS,** The Student Services Fee Committee is dedicated to ensuring the financial well-being of
24 the Student Services Fee;

25
26 **WHEREAS,** In order to ensure the financial well-being of the Student Services Fee, decreases are
27 necessary during this review cycle;

28
29 **WHEREAS,** The Student Services Fee Committee deemed a decrease of \$55,041.00 to the Diversity
30 Programming Fund (DPF) was appropriate as to realign funding with utilization trends;

31
32 **WHEREAS,** DPF has a reserve account with a current balance of ~\$120,000;

33
34 **WHEREAS,** In order to supplement DPF's decrease, the Student Services Fee Committee deemed that
35 allocating \$40,000.00 each year from the DPF reserve would help DPF continue
36 providing a valuable service to students;

37
38 **WHEREAS,** The Student Services Fee Committee deemed that a decrease of \$15,086.00 to Campus
39 Organizations provided the least impact to students benefited through the Student
40 Allocations Committee while balancing the need to reduce budgets;

41
42 **WHEREAS,** A 27% decrease would impact the ability of some student groups to travel, however,
43 provides the least impact to student groups funded through the Student Allocations
44 Committee;

45
46 **WHEREAS,** The Student Services Fee Committee deemed that a decrease of \$5,048.00 to the
47 Graduate Student Council would not significantly reduce the ability of the Graduate

49
50 **WHEREAS,** Academic Competition Teams' and Sports Clubs' budgets tend to be over-requested by
51 ~300% each year;

WHEREAS, The Student Services Fee Committee deemed that continuing current levels of funding for Sports Clubs and Academic Competition Teams would provide the least impact to students;

WHEREAS, Sports Clubs currently are their own line item on the Student Services Fee;

WHEREAS, Sports Clubs should be listed as a line item under the Student Activity Fee due to its similar nature to other Student Activity Fee entities;

WHEREAS, The Student Services Fee Committee deemed that a decrease of \$8,289.00 to the CARE Office provided the least impact to sexual assault prevention efforts while balancing the need to reduce budgets;

WHEREAS, The Student Services Fee Committee deemed that removing Open House from the Student Services Fee would not significantly impact the student experience;

WHEREAS, The Student Services Fee Committee deemed that Open House funds primarily benefit prospective students rather than current students;

WHEREAS, Open House fund requests have decreased year over year;

WHEREAS, Open House should be removed from the Student Services Fee and shall not be reviewed after Fiscal Year 2023;

WHEREAS, The Student Services Fee Committee deemed that the UFM student position role is critical to the function of UFM;

WHEREAS, The Student Services Fee Committee deemed that UFM should begin to seek alternative sources of funding for this position;

WHEREAS, The Student Services Fee Committee deemed that the Lou Douglas Honorarium provided by UFM Student Services Fee funds could be requested through alternative sources of funding;

WHEREAS, UFM should be removed from the Student Services Fee and shall not be reviewed after Fiscal Year 2024;

Funds requested for a project must be divided into separate categories, as outlined below. Each category must have a detailed description of the items requested and estimate of the cost of each item.

- A. Promotions. Promotions shall include any expense related to the advertisement of an activity, such as Collegian advertisements, KSDB or any radio advertisements, leaflets or posters, and other such materials as determined by the Diversity, Equity, and Inclusion Committee.

47 This agreement, made this 23rd day of February 2023, between the Kansas State University Student
48 Governing Association Student Senate (KSU SGA), and Kansas State University Recreational Services
49 (DEPARTMENT), shall supersede any previous agreement made by KSU SGA with the DEPARTMENT
50 regarding funding of budget and use of such funding.

- 51
-
- 52 1. The annual DEPARTMENT Student Services Fee budget (BUDGET) shall be funded
-
- 53 at the following level for the following fiscal years: \$0.00 for July 1, 2023, through

June 30, 2024; \$0.00 for July 1, 2024, through June 30, 2025; \$0.00 for July 1, 2025, through June 30, 2026. All uses of DEPARTMENT Student Services Fees must be in compliance with Chapter 30 of the Kansas State University Student Governing Association Statutes. The BUDGET will be reviewed prior to academic year 2026-2027.

2. The funding of BUDGET is contingent upon sufficient collections of campus student services fees in the prior or current fiscal year and approval of the Kansas Board of Regents (KBOR). In the instance of insufficient collections or disapproval by KBOR, the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair will jointly notify DEPARTMENT of overall budget shortfall. DEPARTMENT will have 10 business days to submit an impact statement describing the implications of revenue changes at the discretion of the Student Body President, Speaker of the Student Senate, and the Student Services Fee Committee Chair. The impact statements shall be vetted by the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair and sent to the Student Services Fee Committee for review. Adjustments to BUDGET will be presented in a bill to be voted upon by KSU SGA.
3. These monies shall only be expended for the repair and replacement of building equipment, fitness equipment, and building furnishings that are not part of normal maintenance. These funds shall not be utilized for the repair or replacement of fixed building property or for a major part or component of structure or structural equipment.
4. Normal maintenance shall be defined as costs such as cleaning, adjustments and painting, which are incurred on a continuous basis to keep operational assets in usable condition.
5. Any repair or replacement that exceeds \$30,000 must first be approved by the Student Services Fee Committee.
6. If these monies are not spent during the fiscal year in which they are allocated, any remaining monies in the account shall carry over into the next fiscal year. The reserve account shall not exceed \$100,000.00. Once this limit is reached, any money budgeted to this account shall instead be allocated to the Debt Reduction and Emergency Allocation Account (NISADERCPF).
7. This agreement supersedes any previous agreement made by KSU SGA with DEPARTMENT regarding funding of budgets and use of such funding.
8. Any breach of this agreement by the DEPARTMENT will result in automatic review by KSU SGA and such review could result in decrease or termination of funding of the BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.
9. Within 60 days of the end of the fiscal year, the Adviser of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Student Services Fee Committee Chair for review by KSU SGA.
10. No construction of or renovation of a building or facility at K-State is permitted with student services fees unless the fee was established by a binding referendum vote of the student body (KSU SGA Constitution Article V, Section 509, Letter C and Article XI, Section 1105).

- 107 11. The agreement shall be governed by and subject to the laws of the State of Kansas.

109 12. By signing this agreement, the representatives of the respective parties hereby
110 represent that each is duly authorized by their party to execute this document on behalf
111 of such party and that the party agrees to be bound by the provisions of the agreement.

RESOLUTION 22/23/60

**RECOMMENDATION TO KANSAS STATE
UNIVERSITY REGARDING A BETTER SYSTEM
OF BIKE LANE DEMARCATION**

AUTHORS: Jolyon Griffith

SPONSORS: Tommy Compton

WHEREAS, The Kansas State University Student Governing Association should promote the health and well-being of all K-State students;

WHEREAS, Biking is an activity that corresponds to greater health and longevity while also allowing for quicker navigation of campus;

WHEREAS, The Kansas State University Bike and Scooter Guide and Regulations Section II, Subsection B, Part 1 states: "Riding a bicycle on university walkways, Monday through Friday from 7:30 A.M. to 5:30 P.M. is prohibited except where indicated otherwise on Bike Map";

WHEREAS, The provided map requires students to bike on streets that lack proper bike lanes, which is difficult to memorize, and reading a map on a bicycle is a needlessly difficult task;

WHEREAS, The inground bike lane markers are few, far between, and difficult to see when moving quickly on a bicycle or scooter;

WHEREAS, Penalties for failing to ride in the bike lanes can levy fines of up to \$20 per violation, and repeat violations can lead to the impounding of the student in violation's bicycle; and

WHEREAS, Increased awareness of bike lanes will lead to a safer campus for pedestrians and bikers alike.

BE IT RESOLVED THAT:

SECTION 1. The Kansas State University Student Governing Association (KSU SGA) recommends that KSU begin the process of re-designing and remarking the on-campus bike lanes to better account for biker safety, navigability, and ethical design.

SECTION 2. Upon passage by the Student Senate and signature of the Student Body President, a copy of this resolution shall be sent to KSU SGA Attorney General Cathleen Cowell, Incoming KSU SGA Attorney General Hattie Polson, Executive Planning Director & University Architect Ben Perry, Associate Vice President for Facilities Casey Lauer, Morrison Family Associate Vice President for Student Well-being Kathleen Hatch, Vice President for Student Life and Dean of Students Dr. Thomas Lane, Student Access Center Director Dr. Jason Maseberg-Tomlinson, all current members of the Parking Citations Appeal Board, and University President Dr. Richard H. 8 **WHEREAS,** The Kansas State University (KSU) Student Governing Association (SGA) is obligated to
9 address common problems faced by students;

10
11 **WHEREAS,** A Fall 2022 survey by the KSU SGA Strategic Oversight Committee identified parking
12 as the single greatest area of student discontentment;

13
14 **WHEREAS,** Many students, especially incoming freshman, lack information on parking at KSU;

15
16 **WHEREAS,** This information deficit prompts students to adopt false and/or misleading knowledge
17 about KSU Parking Services;

18
19 **WHEREAS,** Such knowledge has contributed to an environment of misunderstood penalties,
20 frustration, and resentment; and

21
22 **WHEREAS,** Widely advertised educational content on parking would improve the ability of students
23 to reach campus easily while following the necessary guidelines.

24
25 **BE IT RESOLVED THAT:**

26
27 **SECTION 1.** Kansas State University (KSU) Parking Services should develop video and/or other
28 visual education content on the following topics:

- 29 1) How to order a permit;
30 2) How to appeal a ticket;
31 3) Where to park with common student passes;
32 4) Applicability of regulations during weekend/evening hours; and
33 5) Other topics, as deemed necessary.
34

35 **SECTION 2.** KSU Parking Services should, to the extent possible, advertise this content through new

12 responsibility to advocate for academic transparency and practices that help students
13 achieve greater course success;

14
15 **WHEREAS,** KSU SGA's Universal Academic Support Plan identified that KSU should provide a
16 clearly defined picture of its courses from enrollment to completion;

17
18 **WHEREAS,** Today, students are not provided course syllabi on consistent and predictable timeline;

19
20 **WHEREAS,** Syllabi often include information that students must act on quickly, such as textbooks to
21 purchase;

22
23 **WHEREAS,** In some cases, students are placed at a disadvantage by not having syllabi reasonably in
24 advance of course start dates; and

25
26 **WHEREAS,** Students require the knowledge of what is needed in their courses to succeed.

27
28 **BE IT RESOLVED THAT:**

29
30 **SECTION 1.** Kansas State University should adopt a policy to govern the timely distribution of syllabi.

31
32 **SECTION 2.** The Kansas State University Student Governing Association believes that a "one-week

44 following Student Services Fee Budget Agreement. This Student Services Fee budget
45 agreement shall be included in and/or replace the appropriate chapter of the KSU SGA
46 Statutes.47
48 **Student Governing Association Student Services Fee Agreement**49
50 This agreement, made this 9th day of March, 2023, between the Kansas State University
51 Student Governing Association Student Senate (KSU SGA), and Student Governing
52 Association (DEPARTMENT), shall supersede any previous agreement made by KSU SGA
53 with the DEPARTMENT regarding funding of budget and use of such funding.

1. The annual DEPARTMENT Student Services Fee budget (BUDGET) shall be funded at the following level for the following fiscal years: \$85,687 for July 1, 2023 to June 30, 2024; \$87,400 for July 1, 2024 to June 30, 2025; \$89,148 for July 1, 2025 to June 30, 2026. All uses of DEPARTMENT Student Services Fees must be in compliance with Chapter 30 of the Kansas State University Student Governing Association Statutes. The BUDGET will be reviewed prior to the academic year 2026-2027.
2. The funding of BUDGET is contingent upon sufficient collections of campus student services fees in the prior or current fiscal year and approval of the Kansas Board of Regents (KBOR). In the instance of insufficient collections or disapproval by KBOR, the Student Body President, Speaker of the Student Senate, and Student Services Fee Chair will jointly notify DEPARTMENT of overall budget shortfall. DEPARTMENT will have 10 business days to submit an impact statement describing the implications of revenue changes at the discretion of the Student Body President, Speaker of the Student Senate, and the Student Services Fee Committee Chair.  - b. The Kansas State University Internal Audit Office will dedicate approximately 1,000 hours per year for conducting audits on the specified Student Services Fee receiving agencies for that year. A Student Services Fee Agency will be defined as any agency that directly receives funding from any campus student services fee.
 - c. The audits will be conducted on a three-year schedule and upon the discretion of the Student Services Fee Committee as set forth in Chapter 30 of the KSU SGA Statutes. The specific order of each year's audits will be determined by the Student Services Fee Committee Chair in conjunction with the Director of the Office of Internal Audit.
 - d. The Kansas State University Office of Internal Audit will utilize the same practices and processes to audit Student Services Fee Agencies as it would for any other university department or organization as detailed within Chapter 30 of the KSU SGA Statutes.
3. This agreement supersedes any previous agreement made by KSU SGA with DEPARTMENT regarding funding of budgets and use of such funding.
4. Any breach of this agreement by DEPARTMENT will result in automatic review by KSU SGA and such review could result in the decrease or termination of funding of the BUDGET. The failure of KSU SGA to exercise any of its rights in any instance shall not constitute a waiver of such rights in that instance or in any other instance.
5. Within 90 days of the end of the fiscal year, the Director of the DEPARTMENT shall submit a written summary of BUDGET expenditures to the Student Services Fee Chair for review by KSU SGA.

- 107 6. No construction of or renovation of a building or facility at KSU is permitted with student

ROLL CALL

OPEN PERIOD

Speaker Jeff Barnes (Parking Services)

Question and answer for parking services:

Jeff has worked as a supervisor and director for parking services for 25 years. License plate recognition on cars with cameras that drive through the lots and the garage, changes to parking in the garage were mentioned and parking will now be paid for when you park.

Chair Long asked Mr. Barnes if there will plans to expand or decrease parking spaces at campus. He said the biggest problem with parking was not finding places to park, but favorable parking, mentioned many open spaces behind Weber Arena that go unused daily. Mentioned how expensive parking garages were and that expanding parking was an expensive endeavor.

Senator Griffith asked why the price of parking was so high, Mr. Barnes responded by stating labor and supplies were a driving factor in prices.

Senator Kamman asks why the parking garage is not free after 5:00pm. Mr. Barnes replies by stating the parking garage is intended to be open all the time, but staffing has been a major issue as well as housing and dining lots.

Senator Hubenig asked if there are plans for advancements to the website for assistance during parking, Mr. Barnes responded by stating there are plans to upgrade the website.

Chair Phillips asked what brought license plate recognition, Mr. Barnes responded that this system reduced costs for labor and time in checking lots.

Senator Kamman asks what the process is for using multiple cars for one permit, Mr. Barnes responded by saying that you can add up to eight cars per permit in the event you are not driving your car.

Senator Hubenig asks if international license plates are compatible with this system, Mr. Barnes explains that this process simply uses the series of numbers on the license plate not the state.

Senator Kamman brings up security in the parking lots as car break ins are on the rise, Mr. Barnes responded by stating that there are KSU Police officers and cameras in the lot to monitor these crimes.

Time for questions expired, Senator Griffith moved to extend the speaker's time by 5 minutes, the motion was seconded.

Senator Hubenig asks about the future of Park and Ride; Mr. Barnes explains that park and ride is expected to operate normally and that the funding for this entity comes from purchases of permits and violations.

Senator Griffith asks if there is a plan to make violations more costly to account for declining enrollment, Mr. Barnes responded by stating he did not plan on this but passes will become more costly.

Senator Hofman asked if there is a plan to have free ATA bus rides in the future with declining enrollment, Mr. Barnes responded by stating it is up to ATA to decide the future of free rides

Senator Suschanek asks if there are plans to seek third party funding through donations or sponsorships for parking services, Mr. Barnes stated that they currently work with entities such as Westar but there is no plans for major corporate sponsorship in the future.

Senator Kappelman asked about student involvement at parking services and Mr. Barnes responded that he would like to see more involvement with students on campus with parking services and states that he enjoys interacting with students.

Time for questions expired Senator Kappelman moves to extend, motion fails due to a lack of a second.
