Approved. For closed events those who are sharing food among themselves know who is responsible for the food preparation and must make their decision to participate accordingly. Please be hygienic and clean up afterwards.

See handouts on proper handling at:

[No bare hand contact.](#)

EHS reserves the right to inspect and provide spot checks at any food event. Events observed or found not following state and local food guidelines, we will revoke or remove certain food items or even all food serving privileges if not corrected.
